RE SACRAMENTO TELETYPE TO BUREAU, NOVEMBER 16, 1984,  
AND FRESNO RA TELCALL TO SUPERVISOR [REDACTED] FBIHQ,  
DECEMBER 18, 1984.

IN REFERENCED TELCALL SUPERVISOR [REDACTED] WAS ORALLY  
ADVISED OF THE SUBSTANCE OF THE FOLLOWING INFORMATION.  
SUPERVISOR [REDACTED] ADVISED AT THAT TIME THAT A 30 DAY EXTENSION  
IN THIS MATTER WOULD BE GRANTED.

RECIPIENT FIELD OFFICES ARE REQUESTED TO EXPEDITIOUSLY  
ADVISE SACRAMENTO OF ANY POSITIVE INFORMATION DEVELOPED  
AS A RESULT OF LEADS AT THE END OF THIS COMMUNICATION WHICH

NOTING PI DEADLINE OF JANUARY 18, 1985.

FOR INFO OF RECIPIENT FIELD OFFICES (OTHER THAN BUTTE AND LOS ANGELES, BOTH OF WHICH RECEIVED RE TELETYPE), INVESTIGATION RE THE "COMMITTEE OF STATES", MARIPOSA, CALIFORNIA, WAS INITIATED UPON RECEIPT OF INFORMATION FROM FBIHQ AND BUTTE DIVISION WHICH REVEALED THAT COLONEL WILLIAM POTTER GALE OF MARIPOSA, CALIFORNIA, WAS REPORTED TO BE THE LEADER OF THE "COMMITTEE OF STATES". THIS GROUP WAS IDENTIFIED AS A TAX PROTEST MOVEMENT AND REPORTEDLY MET IN EARLY JULY, 1984, AT MARIPOSA, FOR THE PURPOSE OF PREPARING AN "INDICTMENT" OF THE CONGRESS OF THE UNITED STATES WHICH WAS TO BE PRESENTED TO THE CONGRESS. THE INDICTMENT MADE VARIOUS ACCUSATIONS AGAINST THE CONGRESS OF THE UNITED STATES AND CONTINUED THAT, IF THE INDICTMENT WERE NOT ACTED UPON, FORCEFUL STEPS WOULD BE RECOMMENDED.

NY 100-6369  
(5/69)

INFORMANT INFORMATION REVEALED THAT DURING THE ARYAN NATIONS CONVENTION HELD IN MID-JULY, 1984, AT THE ARYAN NATIONS HEADQUARTERS, KOOTENAI COUNTY, IDAHO, REVEREND GALE SPOKE TO THE ASSEMBLY. DURING GALE'S PRESENTATION, HE ALLEGEDLY RELATED THAT HE AND OTHERS HAD FORMED A "COMMITTEE

OF STATES" WHO INTENDED TO FILE CHARGES AGAINST THE  
U. S. CONGRESS. GALE REPORTEDLY RELATED THAT HE WAS TO BE  
APPOINTED CHIEF OF STAFF AND THAT [REDACTED]

[REDACTED] FURTHER, EVERY STATE IN THE  
U. S. WOULD HAVE ITS OWN MARSHALL UNDER THE DIRECTION OF  
[REDACTED] AND EACH WOULD HAVE ITS OWN MILITIA.

UNTIL 1976, GALE WAS THE SUBJECT OF SC 157-2633.  
HE WAS, AND IS, THE LEADER OF THE MINISTRY OF CHRIST CHURCH,  
MARIPOSA, ALSO KNOWN AS THE IDENTITY GROUP, WHICH WAS THE  
SUBJECT OF SC 157-2632. BOTH INVESTIGATIONS WERE TERMINATED  
IN 1976 UNDER THEN NEWLY ESTABLISHED AG GUIDELINES FOR SUCH  
INVESTIGATIONS.

NO PRIOR REFERENCES TO THE COMMITTEE OF STATES WERE  
FOUND IN SACRAMENTO INDICES.

AS RELATED IN RE TELETYPE, INITIAL INVESTIGATION BY  
SACRAMENTO NEGATIVE FOR ANY POSITIVE INFORMATION RE "COMMITTEE  
OF STATES". INVESTIGATION VERIFIED THAT REVEREND WILLIAM

PAGE FIVE SC 100A-8951 UNCLAS

P. GALE [REDACTED] RESIDE AT  
5481 CLOUDS WEST ROAD, MARIPOSA, CALIFORNIA, AND THAT  
THE MINISTRY OF CHRIST CHURCH IS STILL OPERATED FROM THE  
MANASSEN RANCH, 4241 USONA ROAD, MARIPOSA.

b7C

ON DECEMBER 14, 1984, [REDACTED] WAS INTERVIEWED  
RE CAPTIONED ORGANIZATION, BUT ADVISED THE ORGANIZATION WAS  
UNKNOWN TO HIM. [REDACTED]

b2/b7D

[REDACTED] SOURCE WAS NOT AWARE OF A JULY 4TH MEETING  
AT THE MANASSEN RANCH. SOURCE ADVISED THAT, IN HIS OPINION,  
GALE'S CURRENT OPATORY IS VERY SIMILAR TO THAT EXPOUNDED  
UPON BY HIM IN PAST YEARS. SOURCE BELIEVES THAT GALE IS A  
"CON MAN" AND TOO SMART TO BE INVOLVED IN VIOLENCE HIMSELF.

ON THE SAME DATE, SHERIFF BURKE BERKELEY, MADERA COUNTY,  
ADVISED THAT HE IS ALSO FAMILIAR WITH GALE AND THE MINISTRY  
OF CHRIST CHURCH, BUT THAT HE HAD NO INFORMATION RE THE  
COMMITTEE OF STATES. ON DECEMBER 15, 1984, THE REVEREND  
WILLIAM P. GALE WAS INTERVIEWED AT HIS RESIDENCE AT 5481

PAGE SIX SC 140A-3051 UNCLAS

CLOUDS REST ROAD, MARIPOSA. GALE AGREED TO BE INTERVIEWED AND WAS CORDIAL TO INTERVIEWING AGENTS. HE EXPOUNDED AT LENGTH ON HIS "THEOLOGY", MAKING FREQUENT REPEATED REFERENCE TO HIS DISLIKE OF PEOPLE OF THE JEWISH RACE AND OTHER ETHNIC MINORITIES. DURING THE CONVERSATION, THE SUBJECT OF THE COMMITTEE OF STATES WAS BROUGHT UP. HE ADMITTED A FAMILIARITY WITH THE POSITION OF THE COMMITTEE OF STATES, STATING THAT THAT POSITION WAS PRIMARILY BASED ON ARTICLE V, ARTICLES OF CONFEDERATION AND PERPETUAL UNION. HE ADMITTED TO HAVING BEEN INVITED BY THE CHURCH OF JESUS CHRIST CHRISTIAN, HAYDEN LAKE, IDAHO, TO DELIVER A SERMON AT THE CONVENTION HELD THERE IN JULY, 1984. HE FURTHER ADVISED THAT HE, PRIOR TO THAT OCCASION, RECEIVED IN THE MAIL SEVERAL COPIES OF A DOCUMENT PREPARED BY THE COMMITTEE OF STATES. HE CLAIMED TO HAVE SUBSEQUENTLY MAILED ALL COPIES RECEIVED TO OTHER INDIVIDUALS. HE DENIED RECALLING FROM WHOM HE HAD RECEIVED THE DOCUMENTS AND DENIED RECALLING TO WHOM HE HAD MAILED COPIES.

PAGE SEVEN SC 100A-8051 UNCLAS

FURTHER, HE CLAIMED NOT TO BE FAMILIAR WITH SPECIFIC INDIVIDUALS INVOLVED IN THE COMMITTEE OF STATES. HE NOTED THAT AS HE IS ON THE FEDERAL PAYROLL (AS A RETIRED U. S. ARMY OFFICER), HE IS INELIGIBLE TO BE A MEMBER OF THE COMMITTEE OF STATES. HE ALSO DENIED THAT ANY MEETING OF THE COMMITTEE OF STATES TOOK PLACE, TO HIS KNOWLEDGE, IN THE MARIPOSA AREA THIS PAST SUMMER.

GALE ADMITTED HAVING KNOWN [REDACTED] FOR MANY YEARS, HOWEVER, HE STATED THAT HIS VISIT TO HAYDEN LAKE, IDAHO, IN JULY WAS THE FIRST TIME HE HAD HAD FACE TO FACE CONTACT WITH [REDACTED] IN APPROXIMATELY 18 YEARS. GALE CLAIMED THAT WHILE AT HAYDEN LAKE HE SPENT THE MAJORITY OF HIS TIME IN HIS MOTORHOME AND THAT HE DID NOT MINGLE WITH OTHERS AT THE CONVENTION. IN PASSING, HE MENTIONED THAT HE SAW A [REDACTED] (NOT FURTHER IDENTIFIED). HE ADVISED THAT HE WAS FAMILIAR WITH THE NAME [REDACTED] BUT HE CLAIMED NOT TO KNOW [REDACTED] FIRST NAME, ONLY RECALLING THAT HE KNEW OF A [REDACTED]

b7C

PAGE EIGHT SC 100A-8051 UNCLAS

THE ONLY ITEM OF POTENTIALLY USEFUL INFORMATION OBTAINED DURING THIS INTERVIEW WAS THE FACT THAT GALE MENTIONED THAT IT WAS HIS UNDERSTANDING THAT SOMEONE (NOT FURTHER IDENTIFIED) HAD REPORTEDLY FILED A COPY OF THE DOCUMENT PREPARED BY THE COMMITTEE OF STATES AT THE RECORDER'S OFFICE IN MARIPOSA.

STATED SIMPLY, IT WAS THE IMPRESSION OF THE INTERVIEWING AGENTS THAT, WHILE GALE WAS CORDIAL TO THE INTERVIEWING AGENTS, HIS RESPONSES WERE LESS THAN CANDID, TO SAY THE LEAST.

ON DECEMBER 17, 1984, INVESTIGATION AT THE MARIPOSA COUNTY RECORDER'S OFFICE REVEALED THAT A "NOTICE" WAS ACCEPTED FOR RECORDING BY THAT OFFICE ON JULY 13, 1984, AT 4:30 P.M. THE DOCUMENT, ASSIGNED NUMBER 2732, IS RECORDED IN VOLUME 262, PAGES 340 THROUGH 356. THE RECORDING STAMP REFLECTS THAT THE DOCUMENT WAS FILED AT THE REQUEST OF THE COMMITTEE OF THE STATES. PERSONNEL IN THE RECORDER'S OFFICE RECALL THAT TWO OR THREE INDIVIDUALS, IDENTITIES UNKNOWN, PERSONALLY APPEARED AT THE RECORDER'S OFFICE SOME TIME A FEW DAYS PRIOR TO JULY 13 AND TRIED, AT THAT TIME, TO RECORD THEIR DOCUMENT. OFFICE PERSONNEL DECLINED TO

PAGE NINE SC 100A-8051 UNCLAS

ACCEPT THE DOCUMENT AT THAT TIME, STATING THAT IT WAS NOT RECORDABLE. PERSONNEL RECALLED THAT THE INDIVIDUALS BECAME UPSET, BUT LEFT. PERSONNEL FURTHER RECALLED THAT THERE WERE OTHER INDIVIDUALS WAITING OUTSIDE THE OFFICE IN AN UNIDENTIFIED VAN BEARING UNKNOWN OUT OF STATE LICENSE PLATES. SUBSEQUENTLY, THE DOCUMENT WAS RECEIVED BY CERTIFIED MAIL AND, AFTER CONSULTING WITH THE COUNTY COUNCIL, THE RECORDER'S OFFICE RECORDED THE DOCUMENT. ACCORDING TO A "PROOF OF SERVICE" PAGE ATTACHED TO THE DOCUMENT, THE PERSON MAILING THE DOCUMENT TO THE RECORDER'S OFFICE WAS [REDACTED]

[REDACTED]  
THE DOCUMENT WAS MAILED UNDER CERTIFIED RECEIPT NUMBER P 330 804 309. THE "PROOF OF SERVICE" WAS EXECUTED BY [REDACTED] ON JULY 9, 1984.

ALSO ATTACHED TO THE DOCUMENT AS A FIRST PAGE IS AN AFFIDAVIT NOTARIZED BY NOTARY PUBLIC [REDACTED] OF SACRAMENTO, CALIFORNIA, ON JULY 6, 1984. THAT AFFIDAVIT IS SIGNED BY [REDACTED] (AS SPEAKER OF COMMITTEE OF THE STATES), [REDACTED] (AS WITNESS), AND [REDACTED] (AS

THE FIRST PAGE OF THE ACTUAL DOCUMENT IS ENTITLED  
"COMMITTEE OF THE STATES IN CONGRESS, JULY 4, 1984". THE  
DOCUMENT IS WRITTEN IN A STYLE REMINISCENT OF THE CONSTITUTION  
OF THE UNITED STATES AND THE ARTICLES OF CONFEDERATION. THE  
DOCUMENT MAKES NUMEROUS DEMANDS ON THE CONGRESS OF THE UNITED  
STATES AND INCLUDES AN INDICTMENT OF THE CONGRESS.

THE DOCUMENT INCLUDES AN "UNANIMOUS DECLARATION OF THE  
50 UNITED STATES OF AMERICA, ASSEMBLED", WHICH INCLUDES, IN  
PART, THE FOLLOWING TWO PARAGRAPHS:

"YOUR ATTENTION IS DIRECTED TO THE AFFIRMATION OF THE  
ATTACHED INDICTMENT WHEREIN THE COMMITTEE OF THE STATES IS  
LAWFULLY EMPOWERED TO PERFORM ITS FUNCTIONS UNDER AUTHORITY  
OF ARTICLE V., ARTICLES OF CONFEDERATION AND PERPETUAL  
UNION AS SATISFIED BY THE STATES OF THE UNION AND FORMALLY  
ANNOUNCED TO THE PUBLIC ON MARCH 1, 1781".

"IN CAVEAT ANY INTERFERENCE OR ATTEMPT TO INTERFERE  
WITH THE FUNCTIONS AND ACTIVITIES OF THIS COMMITTEE OF THE  
STATES OR ITS DELEGATES, BY ANY PERSON, OR ANY AGENCY OF

GOVERNMENT, SHALL RESULT IN THE DEATH PENALTY BEING  
IMPOSED UPON CONVICTION BY SAID COMMITTEE SITTING AS THE  
CONGRESS OF THE UNITED STATES."

THE ENTIRE DOCUMENT AND PORTIONS THEREOF ARE ALL  
DATED JULY 4, 1984. THE PRECEDING PAGE PARTIALLY QUOTED  
WAS ATTESTED TO BY [REDACTED] SECRETARY, AND [REDACTED]  
[REDACTED] SPEAKER AND CHAIRMAN OF THE DELEGATES.

## Foothill Gardening

by Clifford Cross

From the questions I have been getting I guess that I have not been getting through to you. So here goes one more time. Yes, apples are hardy, they will grow in most any soil. They can take more water without harm than most other fruits. Yes, most apples are self fruitful. Some exceptions are astrachan-white, baldwin, gravenstien, rhode-island greening and stayman-winesap. Also, the red delicious does better if planted with the yellow-delicious. This apple and the Jonathan are good pollinizers for the gravenstein as well as other apples.

However, if you are starting an orchard for profit, by all means plant more than one variety if one or more are Jonathans or yellow-delicious along with Arkansas-black, red-delicious, Granny-Smith, gravenstein, Holland double red-mcintosh and perhaps the new-town-pippen, Rome-beauty and wine-sap.

For people living in Catheys Valley and other low-lying areas of the foothills the winter-banana could be your best bet. It is a very adaptable apple.

The second most hardy fruit for the foothills is the pear. Most are self fruitful. However, the bartlett and seckel will pollinate each other. If you wish to grow these two, plant at least one of another variety with them.

## MARIPOSA GAZETTE and MINER

# Col. William P. Gale, U. S. Army Rtd. Honored by WWII Filipino Vets of U.S.A.

Mariposa resident, Col. William P. Gale, U.S. Army (Rtd.), was recently honored by the World War II Filipino Veterans of the U.S. Army at their convention in San Francisco.

The Filipino veterans were infantry special forces of the Army, trained for guerilla combat operations in the Philippine Islands during World War II. Their actions during the war were unpublicized due to the highly secret nature of their missions. Their infiltration of enemy-occupied territory by submarine to organize and direct Philippine Army guerilla units contributed to the defeat of the enemy and saved the lives of untold thousands of American combat troops when U.S. forces returned to the Philippines. They actively participated in the rescue of downed U.S. airmen and without them, the rescue of our prisoners-of-war would have been highly improbable.

✓ The training and activities of these heroic Filipino troops, along with all other guerilla activities was directed by four officers personally selected by Gen. MacArthur. One was Lt. Col. William P. Gale, then the youngest Lt. Col. of Infantry in the Army ground forces at the age of 27. Due to the secrecy of their mission, they reported directly to Gen. MacArthur with no publicity of any kind.

Having first-hand knowledge of Col. Gale's wartime activities, the Filipino

SOMETHING NEW

\*\*\*\*\*

SOMETHING DIFFERENT

\*\*\*\*\*

Our Seminars at Manasseh Ranch located in the high Sierras near Mariposa California have been conducted on a quarterly basis yearly since 1971. Attendance has been and will continue to be by "ACCEPTED APPLICATION ONLY". This is necessary for the benefit of those who seriously desire knowledge of the Holy Bible and our Republican form of government, along with the Constitution and the Common Law. Those with other motives as well as late arrivals and early departures are not welcome. At our last three Seminars it was necessary to turn down a number of applicants due to the lack of space and late receipt of Applications. Some were regretfully denied entrance after long trips to get here - because of their lack of attention to these requirements. There simply was no space to accomodate them. The "Early Birds" got the worm.

So now we will try "SOMETHING NEW" and "SOMETHING DIFFERENT" !

We will conduct Seminars on a 2-day schedule (SATURDAY & SUNDAY), the LAST WEEK-ENDS of EACH MONTH, commencing with SEPTEMBER thru NOVEMBER 1985. (Sept. 28-29; Oct. 26-27; and Nov. 30-Dec. 1st 1985). Applicants MUST arrive prior to 12 Noon on Saturdays in order to attend the instruction period from 1 to 5 PM. (Prior to 6PM by special arrangement if travel time is essential). Dinner is at 6PM with an evening program from 8-11 PM. Breakfast at 8 AM Sunday with Services at 10 AM. A noon brunch with departure after 12 Noon on Sundays. A minimum donation of \$5.00 per person will be considered for the meals and \$1.00 per child under 12 years of age. The Church menus have been very popular since the construction of our new kitchen and dining hall. Colder climate should be expected for the October and November Seminars so bring adequate bedding. Come and enjoy a week-end of learning once a month - or as often as you can make it on other week-ends for the regular Sunday 10 AM Services. If this project is successful, it may be continued in 1986. It will be up to YOU ! Plan your attendance NOW ! Get your Application in EARLY ! Read and re-read the Book of Isaiah , Isaiah, I Say YAH !

Applications MUST BE RECEIVED BY US not later than SEPTEMBER 10th for the September Seminar - OCTOBER 10th for the October Seminar and november 15th for the November Seminar.

## Arrested in Plot to Kill IRS Agents, Judge

The reputed leader of a paramilitary anti-tax group and one of his members were arrested near Fresno yesterday on charges of threatening to kill IRS agents and a judge, authorities said yesterday.

Also arrested were three alleged group members in Las Vegas, Nev., and another in Flagstaff, Ariz.

Two additional members of the group known as The Committee of the States are expected to turn themselves in to authorities this

morning, said Assistant U.S. Attorney Richard Pocker in Las Vegas.

A federal grand jury indictment has charged the eight with sending what the group called "constructive notice" to several IRS agents in Reno and Las Vegas and to a Las Vegas Judge. The indictment claims the "constructive notice" was actually a death threat.

"They hold it as a fundamental precept that the government is an unlawful government. They call it the 'Zionist Occupational Government'," Pocker said.

The indictment claims that the defendants conducted classes on anti-tax ideology and took paramilitary training.

Arrested near Fresno was the group's reputed leader, William P. Gale, and Fortunato (Slim) Parino.

Others arrested include Patrick McCray, George McCray, Gary Doherty and Richard Van Haze. Named in the indictment, but not yet arrested, were Angelo Stefanelli and Susan Kieffer.

Committee of the States founder William Potter Gale, who lived in Mariposa, Ca., died May 5th. The 71-year-old retired Army colonel had been sentenced to a year in prison for sending death threats to a judge and Internal Revenue Service Agents. The sentence was later waived due to his poor health.

Louis Beam, the Aryan Nations ambassador-at-large who was a fugitive in Mexico before his trial and acquittal on sedition charges, said he plans to relocate to East Texas where he "will be raising black-eyed peas and blond headed children." Beam, 41, said he plans to finish a book.

The National Alliance lost its battle to end AT&T's affirmative action program through a stockholder's proposal. The proposal won 8.6 percent of the vote, the company announced at an April 20 stockholders' meeting. A proposal to increase the company's level of affirmative action hiring won only 6 percent of the vote. Because both proposals received more than 3 percent support, their sponsors may re-submit the items next year. Herbert Poinsett of Norcross, Ga., argued on behalf of the National Alliance proposal at the Denver meeting. Poinsett hosts a "Race and Reason" Broadcast on an Atlanta public access channel. AT&T is the most widely held stock in the US with 2.7 million shareholders.

The League of Peace Amendment Advocates and Robert Brock of the black nationalist Self-Determination Committee held a second monthly meeting in Washington, D.C., March 19, with other nation-

Dear Members and Friends:

At the Convention of the COMMITTEE OF THE STATES February 14 and 15, 1969, it was the unanimous approval that the Legislative Program be carried to the rank and file of the American people.

41,000,000 people voted last November for a change in form of government in the United States and a sound monetary system. The COMMITTEE OF THE STATES is looking for these 41,000,000 people to aid in this Legislative Program which will return the United States to Constitutional Government, a sound monetary system, stop the war in Viet Nam and bring our boys home.

It is not the intent and purpose of the COMMITTEE OF THE STATES to form a new political party or to merge with any political party. It is only necessary to see to it that the Senators and Representatives, both national and state, understand that We, the People, mean business this time. Since they put the laws on the books, they are going to take them off, or they will be returned to the political field of unemployment forever in November 1972.

The Legislative Program of the COMMITTEE OF THE STATES is designed so that one or 100 persons can work, or any political, patriotic, or other organization can work with the Congress and State Legislatures as they may see fit. It is a question of whether or not you will go to the state capitols and to the halls of the Congress and demand and compel them to put this target legislation into effect as soon as possible, by introducing the bills that are necessary to put it into effect. This cannot wait until 1972. We MUST BEGIN NOW!

It is up to YOU to take this Legislative Program to the voters of your state, to the members of your state legislature and your Congressional delegation; to take this legislation before any organization to which you may belong and to your political party.

It is up to YOU to start sending delegations to the Governor and State Legislature, and to contact all other public officials in your state. It is up to YOU to see to it that your organization or political party adopts this legislation in their platform. now; that they publish same in their letters, bulletins and newspapers, in order to inform the 41,000,000 people who voted for a change last November. It is not up to George, Joe, John, or William, it is up to YOU to take a stand for legislation which will save your country.

On the reverse side of this page is the COMMITTEE OF THE STATES' Legislative Meeting Bulletin covering all the State Legislatures for your convenience. Don't forget: work with every State Legislature, even if you live in the state of Idaho and the Illinois State Legislature is in session, go to work on the Illinois Legislature, just as if you lived in Illinois. This is public legislation, so help the good people out in other states.

Write for a copy of "What and How to Do" and other information regarding the Legislative Program of the COMMITTEE OF THE STATES. Call or write for arrangements to hold a meeting of the COMMITTEE OF THE STATES in your city. Copy or reproduce this letter and send to others.

Very sincerely yours,

*Merritt Newby*

Re Oklahoma City letter to Omaha, 10/25/67.

Omaha indices are negative concerning captioned organization; however, Omaha files contain the following information pertaining to Dr. ROBERT C. OLNEY of Lincoln, Nebraska:

In 1963 inquiry was made at Lincoln, Nebraska, concerning Dr. ROBERT CHARLES OLNEY, who at that time was described as an elderly physician and surgeon who operated the Olney Clinic, 4740 F Street, Lincoln, Nebraska, and was director of Providence Hospital, Lincoln, Nebraska. In 1958 he was connected with a local non-profit organization known as "Know Your Constitutional Government Association". In March, 1963, he was director of the "Freedom Volunteers", a local group which sponsored a lecture and film on disarmament and the United Nations and also a lecture by a person closely associated with Major General EDWIN WALKER, U. S. Army Retired, an outspoken segregationist.

[REDACTED] State of Nebraska, Lincoln, advised around 1963 that Dr. OLNEY was considered an ultra-conservative with leanings to the far right who took an active interest in governmental affairs and who, according to [REDACTED] was an "odd ball". [REDACTED] stated that Dr. OLNEY was the originator of the newspaper "The Nebraska Beacon" which had been in existence since early 1960, and in [REDACTED] opinion was a means of public expression by OLNEY of his ideas and viewpoints on various national and international affairs.

Omaha files also disclose that the name R. C. OLNEY, M.D., 4740 F Street, Lincoln, Nebraska, was maintained by the National States Rights Party, [REDACTED] Alabama. The significance of OLNEY's name being [REDACTED] by this organization was not known to the source furnished [REDACTED].

Re San Francisco airtel to Omaha, 5/15/69.

Enclosed for San Francisco is Xerox copy of Omaha letter to Oklahoma City dated December 18, 1967, which contains some information regarding Dr. ROBERT C. OLNEY of Lincoln, Nebraska.

In addition to information included in enclosure, Omaha files disclose that during 1967, Dr. ROBERT C. OLNEY, M.D., 4600 Valley Road, Lincoln, Nebraska, was very active in anti-flouridation drives in various Nebraska communities.

For information of San Francisco, Oklahoma City in April, 1969, submitted a letterhead memorandum concerning captioned organization, which letterhead memorandum contained information from a source indicating that a sectional meeting of captioned organization would be held in Oklahoma City on April 25 and April 26, 1969. This source furnished literature received from captioned organization and described the organization as "ultra conservative" in nature.

The Bureau, by airtel April 28, 1969, to Oklahoma City, made reference to the aforementioned letterhead memorandum submitted by Oklahoma City and pointed out that this letterhead memorandum and its cover airtel failed to disclose any information which proved or disproved the allegation that captioned group, its leaders or active members, were connected with a known Klan or white hate group or fitting criteria for investigation under Section 122A, Manual of Instructions. The Bureau instructed that Oklahoma City should conduct no investigation of this group and should not direct any sources, including established sources, to solicit information concerning same. The Bureau advised, however, that Oklahoma City should receive any information voluntarily furnished by sources of their own volition.

Dear Members and Friends:

The tremendous force of the terrible truth of world conditions is stirring deep in the minds and hearts of every true patriotic sovereign citizen of the United States. Today we are on the verge of the complete victory of these satanic forces and it is only by the most powerful, strategic offensive by the truly patriotic Christian sovereign citizens of the United States that this massive destruction of our right to life, liberty and property can be stopped.

For many years we have seen the relentless drive of the international satanic money changers in their determined effort to establish their one-world government, one-world religion, one-world citizen and police slave state, the United Nations!

"REPEAL" of the United Nations Charter and the Federal Reserve Act and Gun Confiscation must be stopped. This is the only way to save America and save us from complete political, social and economic slavery and bondage. We hope that every political party, patriotic individual and organization in the United States will join vigorously in this powerful legislative program in the respective sovereign states, as well as in Washington, D. C.

Effective and offensive state organization is necessary to coordinate all patriotic organizations and individuals for effective action with the State legislatures and the Congress. Write for target legislation literature!

Call or write to make arrangements for a meeting of the COMMITTEE OF THE STATES in your city. Speakers are available to explain and promote this legislative program; also, literature is available. The fullest cooperation for having a successful meeting is offered.

Publicity, financing and hard work are necessary and of great importance in carrying out these objectives. We would like to hear from concerned persons and organizations. It is only by hard work and the contributions of all patriotic persons that it will be possible to carry out this vital legislative program all over America.

Will you stand and be counted for America?

Respectfully yours,

HELEN WRIGHT COURTOIS  
RM

Re memorandum of Supervisor [REDACTED] in each of the above captioned cases dated 5/23/63. b7

On 7/17/63 [REDACTED] of the U.S. Postmaster's Office, Federal Bldg., Los Angeles, advised that P.O. Box #3094 was rented on November 17, 1949 to the KEEP AMERICA COMMITTEE, Los Angeles 54, Calif., by Mrs. HELEN W. COURTOIS, Acting Secretary, 1405 Sutherland, Los Angeles 26, Calif. She gave references as follows:

[REDACTED] stated there is a notation on the box card that The League of Christian Patents may also receive mail through box 3094. b7

On 7/17/63 SA [REDACTED] made inquiry at 1405 Sutherland, under a pretext, for HELEN COURTOIS and the occupant at that address stated she had lived there for 7 years and knows that mail came for HELEN COURTOIS for sometime after she first moved there and she had learned from other tenants that COURTOIS formerly occupied the apartment at that address. b7c

It is noted that the address for the AMERICAN BIRTHRIGHT COMMITTEE was given as 446 Isabel St. An examination of the Los Angeles Street Address Directory determined that HELEN COURTOIS is listed as living at 446 Isabel, telephone CA-12880. It was also determined this same name and telephone number is listed in the current telephone directory for Central Los Angeles. A call to the telephone number listed was not answered. A call at that address on 7/17/63 determined that no one answered the door. There were two large packages on the floor of the entry-way addressed to the American Birthright Committee, 446 Isabel from "Common Sense" Union, New Jersey. An unidentified man of Spanish origin who was working on a car in front of 446 Isabel was asked about the occupant of the property at that address and stated that she worked, place unknown, and would be home about 5:00 p.m.

A review of the references of the Los Angeles Office concerning HELEN COURTOIS reflect, among others, a subject file, 100-14894. This file shows that she has been known to the Los Angeles Office since June 21, 1942 and during this entire time has been associated with organizations favorable to the German and Japanese Governments and " that are anti-semitic and anti-negro. This file also shows that COURTOIS is associated with both captioned organizations.

b7c The report of SA [REDACTED] dated 10/23/42 entitled "HELEN WRIGHT COURTOIS, INTERNAL SECURITY G & J CUSTODIAL DETENTION", LA 100-14984 sets forth an interview with subject and a description of her.

In view of the above information it is suggested that no further investigation be conducted and that both of captioned cases be closed with this memorandum.

"Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: for this is the whole duty of man. For God shall bring every work into judgement, with every secret thing, whether it be good, or whether it be evil." (Solomon 977 BC). "He that despised Moses' law died without mercy under two or three witnesses: Of how much sorer punishment, suppose ye, shall he be thought worthy, who hath trodden under foot the Son of God, and hath counted the blood of the covenant, wherewith he was sanctified, an unholy thing, and hath done despite unto the Spirit of grace? For we know him that hath said, Vengeance belongeth unto me, I will recompense, saith the Lord. And again, The Lord shall judge his people. It is a fearful thing to fall into the hands of the living God." (Hebrews 10:28-31 Paul at Rome 63 AD).

"A senator who is aware of treason but who refuses to expose the dangerous, unpleasant facts for fear that he will be politically scarred and bloodied if he does is actually guiltier of a greater treason than the traitors themselves. Every senator has the duty to use the means provided by the Constitution to protect the people who have entrusted him with the task of manning the watchtowers of this nation! (the late Senator Joseph R. McCarthy).

"The International government of the UNITED NATIONS, stripped of its legal trimming, then, is really the INTERNATIONAL GOVERNMENT of the UNITED STATES and the SOVIET UNION acting in unison." (American Jewish Committee's official magazine "COMMENTARY" of Nov 1958, p.376).

"We shall have WORLD GOVERNMENT, whether or not we like it. The only question is whether World Government will be achieved by conquest or consent." (Statement to U.S.Senate on 2/17/1950 by James Paul Warburg ("Angel" to and active in the United World Federalists), son of Paul Moritz Warburg, nephew of Felix Warburg and of Jacob Schiff, both of Kuhn, Loeb & Co. which poured millions into the Russian Revolution via James' brother Max, banker to the German Govt. (Sisson Report 1918). See pp.67-73 "THE TRUTH ABOUT THE SLUMP" by A.N.Field, first printing 1931, reprinted 1962 by Omni Publications, POBox 216, Hawthorne, Calif - paperback \$2.50; Field's "ALL THESE THINGS" first printing 1936, reprinted Febr 1963 - paperback \$3.00; and Gertrude M Coogan's "MONEY CREATORS", first printing 1935, 9th printing Oct 1963 - paperback \$3.00. All indexed, documented, invaluable for understanding Intl.Bankers financings, "wars" and "peace" maneuvers, all leading to unfolding their conspiracies climaxing today, found in "CONQUEST OR CONSENT" by Wickliffe Vennard - \$2.00 (see AUG.BULLETIN); also obtainable from Omni Publications.

That the same bloody terror that gave birth to antichrist USSR is in minds of executioners of today, present head of Communist Party USA Gus Hall (of many aliases) confirms at funeral of Eugene Dennis in 1961:

"I dream of the hour when the last Congressman is strangled to death on the guts of the last preacher -- and since the Christians seem to love to sing about the blood, why not give them a little of it? Slit the throats of their children and drag them over the mourners' bench and pulpit, and allow them to drown in their own blood; and then see whether they enjoy singing these hymns." This is the antichrist allowed by educators to be able to boast: "During the past 6 months I have spoken to some 50,000 students and youth directly; thru their newspapers to possibly 1/2 million, and thru the radios, TV and press, to millions more... A year ago the McCarran Act was running against us...The tide has turned. We must give credit to our young people for this achievement."

Why hasn't J Edgar Hoover and/or Atty Gen Bobby Kennedy locked up this ex-convict who has not registered as required by law, and is subject to jailing for treason? Parents and educators who permit such as this antichrist to invade the minds of our youth, need look no further to locate responsibility for so-called juvenile delinquency. Likewise guilty is the Congress that collaborates - so-called Nuclear Test Ban Treaty!

COINCIDENCE? IGNORANCE? AIDING THE ENEMY? By Atty G A Sheppard in FREEDOM CLUB

BULLETIN, 540 So Commonwealth St, Los Angeles 5 Calif:

In March, 1962, President Kennedy stated: "We know enough now about broken negotiations, secret preparations, and the (Soviet) advantage gained from a long test series never to offer again an uninspected moratorium."

Summer 1963, President Kennedy assures the nation we will keep in readiness our nuclear testing and proving facilities. Later in 1963 the administration announces:

A. It is disbanding its nuclear testing base on Christmas Island; B. It is considering closing one or more of the plants producing fissionable material for nuclear weapons. C. R S 70 has been virtually abandoned; D. Skybolt has been dropped; E. Manned bombers are being phased out; F. Nike-Zeus is being delayed; G. Dyna-Soar is being re-examined for possible junking.

All testimony in favor of the Test Ban Treaty is released. Dr. Teller's factual testimony in opposition gets sent to the Pentagon for "security review" - "a quiet burial." (CBH - Dr. T. uses this patriotic reputation to advocate "World Govt" - proving again you cannot trust a Jew!)

Article 49 of the Soviet Constitution allows the Communist butchers, murderers and traitors to abrogate any treaty instantly and without cause.

The House Committee on Un-American Activities factually documents the Communist Party is burying its apparatus deeper, while infiltrating and exploiting respected community organizations and churches; yet, no communists are jailed under the law requiring registration.

A U.S. Marine is forced out of the Corps because he killed a communist spy when said spy attacked when the Marine found the spy in a restricted area.

Khrushchev visits murderer Tito, as do Drew Pearson, Adlai Stevenson, Chief Justice Warren, and California Governor Pat Brown.

A Swedish Air Force Colonel is seized as a Russian spy. The U.S. had honored him with the Legion of Merit. U.S. Secretary of Agriculture tours Communist Bulgaria.

#### INTERNATIONAL INTRIGUE

Khrushchev makes "trade" agreement with Tito; Secretary of State Rusk OK's "closer trade ties" with Yugoslavia.

Soviet trawlers make runs from Cuba to Mexico with arms and men. (We only observe, as we do when Soviet planes fly over our 49th state. When we fly over Russia, our planes are shot down).

Red Chinese communists offer aid to NAACP for its demonstrations in Washington.

Soviet trawlers make runs to Portugal-Angola, then communist terrorists become active.

South Korea reminds us that the last major Soviet peace offensive was in spring, 1950 when Russia and Red China backed the "Stockholm Peace Pledge". June 25, 1950 Korea was invaded.

Soviet trawlers, which do no legitimate fishing, invade Southern California waters. Russia is readying thousands of Congolese and other African guerillas for subversion and terrorism in Africa.

Soviets lay down a new airfield in Yemen.

Soviets build new port on Africa's Golden Horn, for submarines and trawlers.

Soviet-British Guiana builds airstrips in the interior for use of Cuban trained guerillas who now operate in Venezuela and Columbia.

The U.S. Treasury has borrowed \$515 million from Austria, Switzerland, Germany and Italy. (CBH - no wonder our Flag on top of Treasury Bldg, on \$10.00 bill, is upside down - sign of distress! Wonder who engraved that upsidedown flag on money plate?

The United States betrays our servicemen in West Germany by granting away its jurisdiction over acts committed by the military. (CBH - Goldwater party to this, one of many betrayals).

Ceylon seizes properties of U.S. companies and the U.S. does nothing.

Teenage communists admit cell activity in high schools, distrust, dissention, agitation, demonstration, etc.

Test Ban Treaty keeps Canada from arming itself with our nuclear devices and thus we lose her protection on our northern flank.

Communist terrorists and guerillas murder and run rampant in Venezuela, Brazil, British Guiana, Columbia. Mexico announces it is strengthening its ties with Soviets.

Laos goes Communist under our silent approval as U.S. sponsored neutralism and "peace" fails again.

U.S. indecision and inaction allows South Viet Nam situation to deteriorate in favor of the communists. General Harkins, U.S. military commander there says, that the present situation has reduced by almost 50% the war effort against the communists.

U. N. TREACHERY

Russia acknowledges that the U.S. uses secret pressure and promises to gain money for the enslavement of millions in the Congo, Middle East and in West New Guinea where the dictator is U-Thant. The U.N. army is in supreme control of that government. The U.N. does nothing when communistic Morocco invades and captures Spain's enclave of Ifni.

Soviet defected spy, Monat, states that New York is a Mecca for communist agents and the U.N. "is an ideal stamping ground."

Senator Dodd, D-Conn., pin points Soviet espionage at U.N. (CBH - yet as of Mch 15 1963 in 88th Congress, Dodd voted 77% for unconstitutional and un-American bills.)

U.S. troops are ambushed and slaughtered in Korea, the U.N. does nothing.

Prostitution, vice and espionage are "investigated" in U.N. when "call girls" are arrested.

J. Edgar Hoover states that the Soviet diplomats assigned to the U.S. and U.N. "represent the backbone of Russian intelligence operations in this country."

Castro trained communist spies are revealed at work in U.N.

The FBI seizes Russian diplomat and U.N. official as spies.

Major General Horn, Swedish Chief of the U.N. mission to the war in Yemen, resigns and relates how U.N. ignored evidence that pilots from the Soviet were flying bombing missions and over 700 Russians were involved in the fighting. He accused the U.N. of issuing "deliberate lies about the work of the mission."

Foregoing concise itemizing of current historical events prove some of the betrayals destroying our once Christian Constitutional Representative Republic. Despite all the evidence piling up proving our betrayal, and that "assurances" by JFK are no more reliable than those by wholesale murderer Khrushchev, only 19 Senators voted against the Test Ban Treaty (only 8 being Republicans). "Patriot" Dodd above, true to form, voted for its ratification. Goldwater, in role of extreme rightist Republican leader, seized opportunities to put himself into limelight for his 1964 Presidential aspirations - by offering amendments which of course were defeated.

Altho Jewish Goldwater mouths Biblical themes on occasions, yet his ignorance of Jesus Christ's Laws well illustrated by Goldwater trying to make an evil tree bear good fruit. As I wired some Senators: "Evil tree cannot bear good fruit. God condemns Test Ban Treaty. Dare you defy God?" Doubly evil, for evil men created it, and Jesus Christ condemns fellowship of believers with non-believers. History proves Christ's Laws supreme. During past 25 years, once Christian USA has had 3,400 meetings (fellowship) with antichrist Soviets - including Teheran, Yalta, Potsdam, Panmunjom, and Geneva (hdqtrs for World Jewry & U.N. according to Jewish AMERICAN EXAMINER 9/26). The negotiators spoke 106 million words - 100 volumes. All of this fellowship and talk led to 52 major agreements, and the Soviets have broken 50 of them!

Granted USA has committed many sins of commission and omission, yet compared to antichrist murderers and liars ruling USSR and satellites (see AUG BULLETIN), USA was founded by Christians not ashamed to state: "Whereas we all came into these parts of of America with one and the same end and aim, namely, to advance the kingdom of our Lord Jesus Christ, and to enjoy the liberties of the Gospel in purity with peace."

The closer we lived to that aim, the greater our civilization. Illustrating how some "conservatives" don't know our history, THE INDEPENDENT AMERICAN, POBox 4223, New Orleans 18 La. publicizes an evil tree can be made to bear good fruit. Inter alia, it circulates a card "I'M FOR GOLDWATER IF..." Sly brainwashing. Plants idea that "IF" Goldwater makes some assurances he's worthy of becoming President. He has proved what can be expected of him, for he has already betrayed his followers time and again (see May & June-July Bulletins). Suppose he did, as requested, "publicly denounce the

Eastern Liberal Internationalists, such as Rockefeller.." He did that in 1960 most

vigorously, yet in a few hours he was urging his followers to accept Rocky! Publisher Kent Courtney 9/6/63 "ACTION-GRAM" 1 1/2 pages letter virtually made a hero out of Goldwater, using his name 12 times, claiming the JFK gang had a "hysterical fear of Goldwater's reservation. They knew that demanding the removal of Soviet troops and missiles from Cuba prior to the ratifying of any Nuclear Test Ban Treaty makes darned good sense..." Advocating same antichrist solution - that you can amend and make good an evil treaty. Christ's Law brooks no change - it is: "An evil tree cannot bear good fruit," no matter how much pruning or hanging jimcracks onto its branches.

Persecutions preceding terror. Following up JUNE-JULY & AUG BULLETINS. Al Misegadis, 76 in Oct, arrested twice, in solitary confinement, for being crazy about the Constitution, exposing corruption, and seeking defeat in 1964 of antichrist Council on Foreign Relations agent, Senator McGee of Wyo, is free. Examined by 6 doctors and psychiatrists at Vet's Hospital at Sheridan, Wyo, they pronounced him sound with a body of a man 50 to 55 years of age. Yet he has to appear before local Insanity Com. 10/25/63 - 2 doctors and 6 man jury. Two attorneys representing him. Will cost considerable money before he is thru.

Misegadis maintains our true birthday is Sept 17 when Constitution was signed. He wrote Governors of several states, and on 9/18/63, for Gov John A Love of Colorado, his Exec.Secy signed letter thanking Misegadis for "bringing this date to his attention" and "signed a Proclamation designating September 17, 1963, as ConstitutionDay!" On Sept 11, Gov Tim Babcock of Montana wrote Misegadis: "... It gives me a great deal of pleasure to tell you that I am going to proclaim the week of the 17th through the 23rd of September as Constitution Week..."

Al is going to sue Lander Councilmen, their attorney and Chief of Police. He reiterates his complaint about the Lander paving project, claiming someone is stealing a million dollars out of the \$2.3 million project. Citizens filing suit to halt that project, so Al is seeing some fruit from his crusading. Follows some of the smearing in WYOMING STATE JOURNAL: caption clear across front-page 8/29/63: "Stormy Lander

Paving Critic Al Misegadis Is Jailed for Sanity Hearing." 9/5/63 front-page carried 2-columns-wide picture of "Al Misegadis 2nd Mental Charge Started MISEGADIS GETS INTO FIGHT WITH LOGHRY AT CLEANERS". Al's comment - 90% lie! First 2 days of his 4 in solitary, he had little food, no soap, no towel, no toilet paper, no sugar, no salt, and 1st night no blankets, bedding very dirty. When Sheriff got back, treatment OK. Was not allowed to see anyone, nor call his family or attorney for 72 hours. Upon 2nd arrest, County doctor declared Al mildly insane. He heard from a number as result of our AUG BULLETIN story.

Misegadis reminds that Howard B Rand of DESTINY Publishing, Merrimac, Mass. (see Aug Bulletin) has published "OUR REPUBLIC" - 11th printing May 1963 - \$2.50 (10 or more \$1.50 ea.). Mr Rand writes in part: "It was the prerogative of the prophets of old to forecast events which would mark an age coming to its close and, significantly, the fulfillment today of what they foresaw is becoming startlingly clear in its accuracy. It is not necessary to list the many developments highlighting the general spiritual deterioration in our land, with the corresponding increase in immorality and crime, for it is all plainly exposed in the daily news. However, we do want to remind you that, from all indications, the time in which we have to witness is rapidly running out. We feel certain that the next twelve to nineteen months will be the most important period in all the years of our activities. (emphasis in original - CBH)." Recalls that I have copy of chart found in old desk in Philadelphia in 1902 which forecasts years of prosperity, hard times and major depressions, starting 1818. Unknown author hit such MAJOR DEPRESSIONS as 1875, 1894, the 1929 crash, and now forecasts next crash in 1965. Re Misegadis suing, reminds that former Gen Walker filed libel suits totaling \$23 million against number of newspapers, radio and TV stations, in connection with stories concerning his activities during the Kennedy gang incited riots upon forced admission of Negro James H Meredith to U of Miss.

Mr Rand, and others who believe The Bible, are smeared in official Anti-Defamation League of B'nai B'rith Report of 1950 titled "A MEASURE OF FREEDOM", as terrible

tionalist, (as Goldwater claims to be) would be forced to take a stand against fluoridation, because forced medication violates the Constitution - to say nothing of the constitutions of the people forced to drink poisoned water. Indebted to Don Bell (REPORTS & CLOSER UP weekly commentaries, POBox 2223, Palm Beach, Fla - \$20. per year, 10¢ per copy) for foregoing. He quotes Goldwater's 9/20/63 speech before Republican Finance Com. of New Jersey, being his latest stand on foreign policy, wherein he voices his so-called "American principles". "They are exactly the principles that are enunciated daily by JFK or some other mouthpiece of the New Frontier. What Goldwater said Harlan Cleveland has said better and more forcefully. In short: Barry Goldwater is just another politician; an opportunist who talks out of both sides of his mouth, right or left, and never talks from his heart. Harry Golden (Jew - CBH) perhaps said it best when he commented that now when the Jews have a chance to put a man of their own in the White House, their Jew turns out to be an Episcopalian..." Don closes: "... And let us be represented only by dedicated Christians. That alone would eliminate the Judas-goat named Barry Goldwater."

The Constitution Party of the USA met at Indianapolis Oct 19-20 to promote its program in the states, and possibility of drafting Sen Strom Thurmond, a genuine conservative, as presidential candidate in 1964.

The National Citizens Union, POBox 2055, Grand Central Sta, New York 17 NY challenges Presidential appointments of an "imbalance" of Jews to high Govt office, and is working for nationwide support for an Amendment to the Constitution to restrict the power of Jews - so that Americans can avert communist control and enjoy a moral and cultural rebirth. COMMON SENSE #402 pictures many and lists 95 antichrist Jews who surround JFK in key posts thus running-ruining once Christian USA - 5¢ a copy, POBox 807, Union, NJ. The Jew-headed-controlled NAACP with other fronts staged at Washington DC 8/28/63 a "March on Washington" (with Goldwater's blessing) to pressure Congress to pass "civil wrongs" legislation, and one tactic was use of clerical garbed imposters who called on Congressmen. Repr. Wm H Ayres turned over to FBI information on these fake clergy that 2 weeks before the march a costume shop in New York City was sold out of clerical garb and had tailors making them as fast as possible up to the day of the march. Will FBI do anything, or are they too busy persecuting Whites? Jewish AMERICAN EXAMINER 9/26/63 boasts Jewry backs Negro Revolution and civil rights.

Former Coloradan Dewey Taft, publisher WEEKLY NEWSLETTER, Box 15065, Tampa, Fla, campaigning for impeachment of JFK, writes his Congressman that FBI agents calling on him and members of his group, questioned what they knew about Birmingham bombing of church that killed 4 little Negro girls. Taft referred them to the Anti-Defamation Lg, who had tried to railroad 5 innocent youths in Atlanta (acquitted by jury), when the State's star witness proved to be a criminal who was paid to bomb the Synagogue of Satan, and to this day is not arrested. Special Grand Jury in Birmingham, Ala, on 9/23/63 indicted 8 men associated with the Natl States Rights Party on charges involving "violent interference" with court-ordered integration of Alabama schools. The 8 submitted to voluntary arrest. How singular that on that same day the only Negro student at U of Miss. at Oxford, was arrested for carrying a concealed weapon. And, that the Fed. Dist. Judge had instructed that Grand Jury to look into the Sept 1 bombing of said Negro church.

Preston McCrossen (see JUNE-JULY & AUG BULLETINS) says his trial to be about Nov 1. Robert Rice, attorney for John R Harrell, heard from him who claims to be held in "windowless, sound-proof cell", under constant questioning, apparently in Chicago or St Louis. Trial set for Nov 4. He told friend that Jew ruler of Illinois, Jacob M Arvey is back of Harrell's persecution. Erwin B Arvey, son of Jake, is free on bail \$25,000. in Los Angeles, charged with transporting \$550,000. in counterfeit securities across state lines. Re the Blounts et al sued for \$850,000. by school teacher Virginia Franklin, 9/28/63 SACRAMENTO BEE pictures her with Amn. Civil Liberties Union leaders awarded for her activities. # The Dark Side Of The NAACP

## IS THE NAACP A COMMUNIST FRONT?

The following information is from the State of Georgia Commission on Education, the 1943 through 1961 reports of the State of California Un-American Activities Committee.

"A front organization, therefore, is an organization that provides an apparently non-communist facade, behind which communists and fellow travelers in control of the organization can carry out strategic tactical moves in behalf of the current 'party line'.

"Many of these organizations will be publicly proclaimed to be in the interest of some worthy program. The organization's self-professed goals may be high sounding and humanitarian, but invariably, it will be discovered that in any communist front organization a heavy majority of officers, the sponsors, and members of the committees will be found to have a record of affiliation with scores of other front organizations. Invariably, it will be discovered that the particular organization in question, and all other organizations with which the leadership has affiliations never criticize communists nor Russia, and, consistently follow and support pro-Russian and pro-communist programs and policies." (1948 Un-American Activities Report, State of California, pg. 29)

Arthur B. Spingarn- National President and Head of the Board of Directors of the NAACP is not a Negro, but is in fact a Zionist Jew and has headed the NAACP since 1939. In fact, the NAACP has been in the hands of Zionist Jews since its founding by the Garlund Fund, a notorious pro-commie organization.

The President; Chairman of the Board; Honorary Chairman; 11 of 28 Vice Presidents; the Treasurer; 21 of its 47 Directors; Chairman of the National Legal Committee; Executive Secretary; Special Counsel; Southeast Regional Secretary; West Coast Secretary; Director of its Washington Bureau, as well as its Director of Public Relations all have subversive or Communist front affiliations.

More than 125 of its leaders have communist connections.

Arthur B. Spingarn has many communist affiliations including-

1. Citizens United to Abolish the Wood-Rankin Committee
2. Council on African Affairs
3. National Federation for Constitutional Liberties

8/9/00 39063 EIW/BCDA

Ralph Bunche- National Director

1. Institute of Pacific Relations
2. International Committee of African Affairs
3. National Negro Congress
4. Editorial staff member of Science and Society, a pro-commie magazine

George S. Counts- Notorious communist-fronter with at least 29 commie front affiliations including the American Civil Liberties Union.

Henry Hitt Crane- At least 46 Communist affiliations including the American Committee for the Protection of the Foreign Born.

Roger N. Baldwin- At least sixty Communist affiliations.

Robert W. Henry- More than 90 Communist affiliations.

Roy Wilkins- Nine Communist front citations.

Adam Clayton Powell- Sixty six Communist front affiliations.

Thurgood Marshall- Five Communist front citations.

Herbert Lehman- Ten Communist front citations.

Channing Tobias- Fifty Communist front affiliations

Paul Robeson- More than 150 Communist affiliations.

Hulan E. Jack- Sixteen Communist front connections.

Of the five founders of the organization, only one was a Negro, W. E. B. DuBois, whose full communist record of more than 70 affiliations is too long to list here..

At the present time, the NAACP, in its program of causing race difficulties is being aided by such 'front' groups as the Southern Conference Education Fund, Georgia Committee on Inter-Rac-Cooperation. Working with those from several other groups, delegates of the NAACP helped found the Mobilization for Democracy - a commie front.

It appears that from its very beginnings the NAACP has been pro-Communist and has worked neither for the White race nor for the Negroes but for the ULTIMATE DESTRUCTION OF BOTH! is working to promote a political system and ideology that is completely dedicated to the destruction of our nation, our freedoms, and every vestige of Christianity. ...As W. E. B. DuBois wrote...

"Down then religion and church, temple and pagoda....Away myth and miracle, creed and dogma....Rejoice, honesty, God lives again!....But not your God, Europe and America!....Not that! Not that!....No Christ to kill, no faith to ban....What China worships is a man!.... A workingman!...Commune, Communes, with the elect of heaven.... With mother Earth, daughter of Sky and Sun....Born of Democracy, fertilized by Communism....Parents of Revolution, makers of the World!"

# CLEARINGHOUSE FOR DIPLOMATIC TREASON

By EDITH ESSIG

EDITH ESSIG —

Author, editor "Keeping the Record Straight", a monthly bulletin of true historic interest. "I shall do my utmost to keep the record straight in spreading information." Mrs. Essig's lineage dates back through an illustrious line of patriots, as does Mr. Essig's. He, past-post commander in V.F.W.; she, past president of the ladies auxiliary to his post—gives just a hint of their long years of devoted service.

The key to the riddle of disastrous American diplomacy that consistently downgrades the United States, shows hostility to friendly, rightist governments, strengthens our enemies and speeds the takeover by an anti-Christian world dictatorship is found in the golden key figuratively bestowed by membership in the most exclusive and powerful club in the world, THE COUNCIL ON FOREIGN RELATIONS.

This closed fraternity of internationalists, left-wingers, sophisticates and reputed intellectuals—working in happy harmony with such interlocking organizations as the Bilderbergers, the Foreign Policy Association, the Institute of Pacific Relations, the Zionists, the Communists and the tax-exempt Foundations of the ilk of Rockefeller, Carnegie and Ford—constitutes a hidden government that dictates foreign and domestic policy without regard to political party.

The Council on Foreign Relations has dominated the major parties' nominating conventions, recruiting presidential candidates from its own ranks: Charles Evans Hughes, John W. Davis, Herbert Hoover, Wendell Willkie, Henry A. Wallace, Thomas E. Dewey, Dwight D. Eisenhower, Adlai Stevenson and John F. Kennedy — three of whom reached the White House.

It contributed cabinet members, notably Henry L. Stimson, Robert Lansing and nephews John Foster and Allen Dulles, Edward Stettinius, George C. Marshall, Christian A. Herter, Averill Harriman, William McAdoo, Henry Morgenthau, Robert A. Lovett, Robert McNamara, C. Douglas Dillon (Lapowski), Sinclair Weeks, Chester Bowles, Arthur Goldberg, Luther Hodges; Dean Acheson, who served as attorney for the Soviet Union in securing U.S. recognition of the U.S.S.R. and whose later treasonable record as Secretary of State, insuring—with the aid of General Marshall—delivery of China to the Reds and the defeat of our forces in Korea, raised more angry demands for his impeachment than have been heard in reference to almost any other public official; and Dean Rusk, now Secretary of State, who, when promoted to Assistant Secretary of State for Far Eastern Affairs by Dean Acheson, sparked the firing of General MacArthur, whose determination to settle for nothing less than victory had thrown the bright boys of the CFR into a panic.

## Communication Controls

It controls communications and has the use of the press, major periodicals, wire services, radio and television in the molding of public opinion by its members, John Gunther, Walter Lippmann, Edward R. Murrow, David Sarnoff, head of the NBC network, W. S. Paley of CBS, publishers David Lawrence, Arthur Sulzberger, Henry Luce, Gardner Cowles and others. It has its representatives in Filmland, among them Walter Wanger and Douglas Fairbanks.

Professional "braintrusts" Harry Hopkins, Adolph Berle, Kenneth Galbraith, David K. Niles (Neyhus), Benjamin V. Cohen and Archibald MacLeish, having flocked to FDR's New Deal standard, promptly thereafter flocked into the CFR. Or vice versa. It is difficult for those on the outside looking in, who have painstakingly checked the CFR's official membership list, to be certain on that point of priority.

The CFR counts among its members Generals Alfred M. Gruenther, Lucius D. Clay, Maxwell D. Taylor, James A. Gavin; Matthew B. Ridgway, whom the CFR supplied to replace General MacArthur when the latter was fired; and Lyman Lemnitzer, now Chief of Staff, who, when in charge of the Office of Foreign Military Assistance responsible for delivery of arms voted by Congress to friendly nations, sabotaged the shipment of arms to South Korea with the almost immediate result of crippling American military operations in the UN "police action" which followed, and betrayed our soldiers—as they were losing feet and legs from frost-bite while fighting in sub-zero weather in summer garb—by withholding a special appropriation of ten million dollars designated for their relief.

It loaded the Atomic Energy Commission with David Lilienthal, Lewis L. Strauss and Robert J. Oppenheimer; and, in supplying Jewry's Elder Statesman Bernard Baruch for the post of United States representative on the United Nations Atomic Energy Commission, gained the spokesman and the rostrum for making the treasonable proposal to yield our nuclear secrets to an international authority.

## Task Force in the Senate

Naturally, it has maintained a task force in

the Senate ready for any emergency: Fulbright, Flanders, Wiley, Humphrey, Symington, Clifford Case. When Secretary of the Army Robert Stevens, a member of the Business Advisory Council to the CFR, became the target in the Army-McCarthy hearings it was Senator Ralph Flanders who introduced the Senate resolution calling for the censure of Senator Joseph McCarthy.

These evil events came to pass in the long shadow cast on the future by the First World War and the ensuing Peace Conference of 1919, when Col. Edward Mandel House and Bernard Baruch personally conducted President Wilson through the maze of European diplomacy in which the negotiations were staged, and young John Foster Dulles cultivated a promising penchant for international intrigue by association with Baruch, who took him in tow upon the departure of his uncle, Secretary of State Robert Lansing. Prompted by failure to involve the United States in the League of Nations, Col. House, who a decade earlier had disclosed the blueprint for New Deal dictatorship in a socialistic novel, *Philip Dru: Administrator*, founded the Council on Foreign Relations in 1921.

And internationalism's great personages found it the answer to their need. Among those answering its roll call over the years were Otto Kahn, World Federalist James D. Zellerbach, Robert Gordon Sproul, James B. Conant, Myron C. Taylor, Thomas Lamont, Winthrop W. Aldrich, Herbert Lehman, Edward Teller, Arthur M. Schlesinger Jr.; the Warburg lords of international banking — Paul, James, Frederick, Eric; the Rockefellers—Nelson, David and John D. 3rd; and Supreme Court Justices Frankfurter, Roberts, Brandeis and Douglas. And Harry Dexter White (Weiss). The story of the strange rise to power in the Treasury Department of this Red spy, the treacherous role he played in precipitating the war with Japan via Pearl Harbor, in his efforts to commit this country to the brutal Morgenthau Plan for post-war destruction and enslavement of beaten Germany, and in facilitating a Soviet raid on the U.S. Treasury is the subject for a book. An explosive item in the *San Francisco Examiner* of June 18, 1947, gives one of the highlights: AP dispatch from Washington—"The United States Army went \$250,000,000 into the hole redeeming German paper marks as the Russians busily turned them out on plates furnished by the United States, Howard C. Peterson, assistant secretary of war, informed Senators today."

Those of the CFR's members who staffed the State Department and other government agencies, whose names are now notorious and whose presence at any point of international intrigue was an omen of disaster, roamed the world on secret missions or sat in on summit conferences: Charles E. Bohlen, Alger Hiss, Philip Jessup, Owen Lattimore, John Carter Vincent, John Stewart Service, Lauchlin Currie, Sumner Welles, Harold Stassen — all straining toward the goal of complete destruction of our national sovereignty. Stassen, for whom Eisenhower later created the post of Special Assistant to the

President for Disarmament, was quoted in an Associated Press dispatch of January 2, 1943, as suggesting the immediate formation of a United Nations legion as a forerunner of the police force of the future, and a congressional or parliamentary body with citizens of the United Nations admitted to citizenship in the United Nations of the World.

This canny recognition of events in the making, so typical of the global strategists, is a reminder that the term *United Nations* had been long in use when the UN Charter came into being.

### The Hand of Alger Hiss

When the organizational conference was set up in 1945 for that very purpose approximately forty-five members of the Council on Foreign Relations turned up in the American delegation. As acting Secretary General of the Conference the traitor Alger Hiss, later convicted of perjury concerning his role in a Soviet spy ring, led the imposing delegation. Jangling their golden CFR keys that by some mysterious alchemy became the keys to the city of San Francisco, they trooped in: Secretary of State Stettinius, veteran world-planner Clark Eichelberger, Russian-born Leo Pasvolosky, Nelson Rockefeller, Adlai Stevenson, "Chip" Bohlen, Philip Jessup, Ralph Bunche, James T. Shotwell, John Foster Dulles (vital link between the planners of world-state and world-church), Dr. Walter Van Kirk of the Federal Council of Churches and many more.

In typical fashion these heralds of a brave new world brushed aside the Korean delegate, our good friend Syngman Rhee, with scant ceremony, lionized the barbarians of the Kremlin and set the course that within five years called our boys to fight one of the bloodiest wars in history, though belittled as a "United Nations police action;" a war that, on the testimony of five American generals—MacArthur, Wedemeyer, Van Fleet, Stratemeyer, and Mark Clark—we could have won but were compelled under UN orders to lose. The testimony of General Van Fleet in a hearing of the U.S. Senate subcommittee investigating interlocking subversion in government departments adds a tragic footnote:

Senator Jenner: "General, did you ever stop to wonder why the most powerful, the richest nation in the world, engaged in a war that we were supposed to win, would put a limitation ceiling upon the troops of a country that our boys were defending, fighting for?" Gen. Van Fleet: "It seemed absurd since a war that they were willing to fight—as a matter of fact, President Rhee, bless him, would often inspect with me new arrivals of American units, and with tears in his eyes would say, 'General, I don't like to see your little American boys come over here so far from home and fight in this country for us; we have lots of manpower; we will do the fighting. Just give us the weapons and the training.' Repeatedly he would ask me to present that to my Government as a plea to them." Senator Jenner: "And you did?"

Gen. Van Fleet: "I did." Senator Jenner: "What was your answer; a limitation?" Gen. Van Fleet: "Always a limitation."

Alger Hiss and Leo Posvolsky — both dedicated agents of the Communist conspiracy and working in close communion with the Soviet Union's Foreign Commissar V. M. Molotov—are credited with being the chief architects of the United Nations Charter.

### Molotov 'Cocktails'

All this took place to the tune, it is estimated, of \$6,000 worth of food and liquor at the expense of the red-tape bound, point-restricted and rationed taxpayers, a lavish cocktail party being given for Molotov on the eve of his return to Moscow, at which the guest of honor was photographed in a jovial mood and drinking a toast with Harry Bridges, the West Coast's top Communist agitator.

From this promising beginning the practice of transacting UN diplomatic business in the atmosphere of a drinking bout has grown to be commonplace. A dispatch by E. F. Tompkins to the *San Francisco Examiner* revealed that: "UN BAR SERVES EVERY TASTE . . . Subject to no laws except its own, the UN has in its delegates' lounge a bar which has no license and need never close. Neither the United States Revenue Service nor the N.Y. State Liquor Authority has any jurisdiction there, and New York's alert police may not intrude . . . On sale are 20 brands of high proof Scotch whisky and 20 brands of rye; gin for any concoctions; 18 imported brews of beer; and all orders of wine . . ." Truly a drinker's paradise—this glassy tower built on Rockefeller ground, offering international gangsters a roosting place on an island of immunity to the laws of our land!

Further testimony is contained in an article titled *Clearinghouse for Diplomacy*, in the May, 1953, issue of the *United Nations World*, a magazine claiming to "reflect the hopes and aims of the United Nations," which reads in part: "It is sometimes said that the United Nations is like an iceberg—since only about one-seventh of what takes place is visible. Most of the international diplomacy which makes headlines, for example, is preceded by private negotiations behind the scenes in which the ratio of private talk to public action is at least seven to one . . . There is a great deal of what might be called diplomacy ex officio. It takes place in delegates' lounges, at cocktail parties and receptions, around bars, and even over bridge and poker. This informal, private diplomacy is what makes the UN one of the world's major listening posts. At least once every month — during the dinner traditionally given by the president of the Security Council—diplomats of Russia and the Western powers sit down together in informal surroundings over an ample assortment of drinks . . ."

### The Eisenhower Era

The keynote of this issue of *United Nations World* is the question carried on the cover, "Has the Eisen-

hower Era Begun?" That is the title of the lead article, and scattered through the magazine are small photographs of Eisenhower in various poses—all of them accompanied by the same words. Like a broken phonograph record the magazine repeats itself on page after page: Has the Eisenhower Era Begun? —Has the Eisenhower Era Begun—Has the Eisenhower Era Begun? Evidently something very special is meant, and knowing that this member of the Council on Foreign Relations was urged by leading Democrats to run for president on the Democratic ticket in 1948 and made the grade as Republican standardbearer in 1952, we can appreciate the delicate significance of the question.

Plainly the Eisenhower Era was a drunken era, but if his foreign policy staggered so crazily that no one could be sure from one week to the next just what it was we may be sure the masterminds behind the scenes had reasons for every twist and turn of it. An intriguing item in the news of June, 1958, concerning Mamie Eisenhower's nephew Michael Doud Gill, reflected the spirit of the times. Taking full advantage of the opportunities afforded by Uncle's Era and exhibiting a talent that should qualify him for a UN diplomatic career, this bright young man was found by the news dispatch to be organizing a chain of exclusive private drinking clubs, known as the Gaslight Chain, two of which were already flourishing in Chicago and New York, with a third due to open in Washington, D.C., for the accommodation of out-of-town businessmen, lobbyists and politicians. Ordinary keys giving entry to the drinking spot would be peddled at \$50 each, stockholders investing a minimum of \$1000 in the venture being given gold keys adorned with the inscription "VIP—Very Important Person." It would be interesting to know whether any of these golden baubles were appropriately added to key-rings carrying the key to that plush and exclusive club, the Council on Foreign Relations.

Just where the secret conclaves of the CFR Club, affecting the fate of millions, are held from time to time is a matter for speculation by outsiders. In one instance in May, 1960, the setting undoubtedly was Hot Springs, Virginia, to which Richard Nixon, himself an outsider to this fraternity of millionaires, was called for examination as to his fitness by the CFR yardstick for the Republican presidential nomination. In late July of that year he was summoned for a midnight parley to which we are guided by the muffled sound of hammering on the Republican party platform behind the closed doors of Nelson Rockefeller's swank apartment on Manhattan's Fifth Avenue; from which Nixon emerged with the assurance of receiving the nomination, only to lose the election, which he might have won had the CFR chosen to count the votes in his favor rather than that of CFR member Jack Kennedy.

### The Baruch Zone

Frequently the scene shifts to the palatial New York home of Bernard Baruch, where in January,

1953, for example, President-Elect Eisenhower, in company with Britain's Prime Minister Winston Churchill, was photographed fawning literally at the feet of this Solon of the Nuclear Age, the keynote of whose forty-odd years of counsel to the nation is stark regimentation of every sort.

An article in the October, 1954 issue of *Coronet* titled "Baruch of the U.S.A." stated that Bernard Baruch "is the undisputed monarch of that shadowy realm of government which lies beyond politics." It went on to say that the austerity of his political life, symbolized by the hard Park Bench, is balanced by the opulence of his private life: "There is nothing humble, for example, about Hobcaw Barony, his place in South Carolina—23 thousand acres teeming with duck, quail, wild turkey and deer, not to mention a particularly delicious variety of small oyster which grows in the Hobcaw salt marshes. His New York town house is no less magnificent." Mention was made of the lushness of his private bar, and its bedazzling effect on thirsty recipients of his hospitality during the prohibition era.

The delicate balance between Baruch's political austerity and his private opulence was slightly jarred when, in the midst of harsh wartime food-rationing enforced by Baruch pressure, the Elder Statesman was denounced by fiery Congressman Clare Hoffman of Michigan as the host at "The Belshazzar-like \$40-a-plate dinner given to entertain the bride of Harry Hopkins, the irresponsible spender of the taxpayers' money . . . While our men are fighting and dying, the New Dealers dine, dance, drink wine and make merry." (Congressional Record, January 6, 1943).

Even this may be viewed as a bit of revelry within the scope of Club activities, since Harry Hopkins, who had carried to Moscow the original offer of Lend-Lease, giving all and asking nothing in return, was a member of the Council on Foreign Relations.

In the pre-Pearl Harbor days of Lend Lease the CFR was straining at the Neutrality leash, working feverishly to stampede the nation to war. Allegedly, CFR members Julius Ochs Adler and Henry L. Stimson (later Secretary of War, then attorney for Kuhn, Loeb and Co.) met with other attorneys at the Harvard Club in New York to organize a drive for a military draft; one of the attorneys being Grenville Clark, who is said to have written the resulting Burke-Wadsworth Bill that gave us our first peacetime conscription. Senator Rush Holt, speaking in August, 1940, exclaimed: "On the third day of June they met again. They met to raise money . . . A quarter of a million dollars was raised at one time. Think of that—men raising a quarter of a million dollars to conscript boys in America!"

#### Closed-Door Huddles

These are the unpublicized, closed-door huddles where urgent matters having to do with stealing a march on the public are settled. They are in sharp

contrast to the numerous roundtable meetings and impressive dinner sessions that show up in the Council's annual report—dinners that feature an assortment of guest speakers testifying to the changed complexion of world affairs incident to the United Nations' war on colonialism: Kwame Nkrumah, Prime Minister of Ghana, widely believed to be a Communist; Fidel Castro, recipient of the Lenin Peace Prize; Anastas Mikoyan, First Deputy Premier of the Soviet Union; Oscar Lang, Vice President of the State Council of the Polish People's Republic; Tom Mboya, member of the Kenya Legislative Council and front man for the temporarily immobilized Mau Mau leader Jomo Kenyatta; Abba Eban, Ambassador of Israel to the United States, and the like.

But as for the last-mentioned: the CFR (check the names!) has been notable from the beginning for its Jewish cast of countenance, emphasized by the devotion of the non-Jewish members to the cause of Judaism. Note this dispatch from Frankfurt, Germany, on February 19, 1949 carried in *The Veterans Post*, published in San Francisco: "Gen. Clay Hits Anti-Semitism . . . Gen. Lucius D. Clay in his first such sharp and definite statement tonight condemned any anti-Semitism under United States occupational personnel. Asked at a news conference if he had knowledge of several reported cases where high-ranking Americans voiced views considered anti-Semitic, the United States military governor said: 'That is the one thing America and the military government will not stand for; anyone making such remarks does not qualify for the purpose of the occupation and cannot remain a part of it.' Clay promised prompt action if he discovers any indication of intolerance." (Emphasis added.)

The November 27, 1942 issue of *World-Over*, a magazine for Jewish boys and girls, assured the kiddies in a photograph caption that "General Dwight D. Eisenhower, commanding general of the American forces in Europe, recently promised Jewish leaders in North Africa that all Vichy anti-Jewish laws would be wiped out."

And, fitting neatly into the pattern like a piece of a jigsaw puzzle is an article in *The California Jewish Voice* of August 31, 1956: "THE SYNAGOGUE IN THE PENTAGON. No Rosh Hashanah or Yom Kipper services will be held this year by the most unusual congregation in the country. Projection room 3 on the fifth floor of the Defense Department's massive Pentagon shall remain just that on the Jewish high holidays. On every other week day of the year, however, at 5 minutes of noon to 12:30 the tiny projection room becomes the Pentagon synagogue . . . A hard core of 10 individuals regularly attend services. Most of the congregants are civilian professionals working in mathematics, statistics, or science . . ."

#### An Ultimatum

Lest there be any doubt as to the goal to which all activity of the Council on Foreign Relations is doggedly driving let its leading lights speak:

"You will have World Government whether or not you like it. The only question is whether you will get it by conquest or consent," said James P. Warburg to the U.S. Senate in February, 1950.

Bernard Baruch as quoted on September 25, 1935 by the *Chicago Tribune*: "I believe national pride is a lot of nonsense."

*The San Francisco Chronicle*, December 29, 1942: "REVOLUTIONS SURE, WALLACE SAYS — Only question if it will be bloody," and a petition was promptly circulated in Olympia, Washington urging impeachment of Vice President Henry A. Wallace, then on a West Coast tour.

Justice William O. Douglas: "World law requires a full-fledged superstate in which all nations are merged—a supranational organization that has political and military control over all of its units."

Justice Owen Roberts: "I think that national sovereignty is entirely a thing of the past." In January, 1942, Justice Roberts signed a petition asking Congress, as a birthday gift to the President, to promote world-union and to appropriate a hundred million dollars for Roosevelt to use to finance the taking of the United States into the world state. Congressman Clare Hoffman promptly exploded: "Why should Congress grant to the President of the United States power to create a world government, United Nations of the World of which we would be a part? If the President of the United States is not satisfied with the office which he holds, if he and his advisors and supporters are not content to live under the Constitution which we have sworn to maintain and uphold, then why does not he, his wife Eleanor, Ickes, Perkins and the horde of Reds which surround him, emigrate to Russia?"

#### The Dulles Paradox

In 1942 John Foster Dulles, as chairman of the Federal Council of Churches' Commission on a Just and Durable Peace, set forth the "Six Pillars of Peace": Ultimately a world government of delegated powers strong and immediate limitations on national sovereignty, international control of all armies and navies, a universal system of money, worldwide freedom of immigration and progressive elimination of all tariff and quota restrictions on world trade. A foretaste of the religious fare offered by the new world order was given in the "Festival of Faith" spectacularly staged and televised at the San Francisco Cow Palace in 1955 to commemorate the tenth birthday of the United Nations Charter, at which Dulles was the principal speaker. Jewish rabbis, Baha'i leaders and Hindu swamis clasped hands with Protestant clergymen. East met West in a jumble of liturgies peculiar to the various religions and cults involved and Christ was brought down to the level of oriental pagan gods.

"THE NEW CABINET: BRAINS WITH A HARVARD ACCENT" headlined a feature article in the Oakland, California, *Tribune* of January 22, 1961, accompanied by a pagewide spread of portraits of New Frontiersmen that were described as a brainy cabinet promising such verve in their task

as had not been known "since Franklin D. Roosevelt's eager beavers took charge in 1933 with visions of remodeling the American way of life": a cabinet boasting three Phi Beta Kappa key-holders in the persons of Dean Rusk, Robert McNamara and Orville Freeman; with—in addition to the new President himself — Secretary of the Treasury Dillon, Postmaster General Day and Attorney General Robert Kennedy having studied at Harvard either as undergraduates or in the graduate school.

An editorial in the Charleston, South Carolina *News and Courier* of April 27th last raises the alarm: "The New Frontiersmen are smart. They are literate and articulate. Some of them virtually jingle their Phi Beta Kappa keys in your face. Even if they didn't go to Harvard—and apparently most of them did—they represent the flower of American colleges and universities . . . They not only want to revolutionize the United States, but other parts of the world. They are deliberately exporting revolution . . . As an example of their revolutionary attitude, the Frontiersmen still do not regret that the United States backed Fidel Castro's rise to power . . . Time is running out, and risks are mounting."

The closing words ring with the echo of a like editorial of a quarter-century ago. *The San Francisco Examiner* of November 24, 1935: "AWAKE, AMERICAN PATRIOTS! The inflammatory and seditious speech of Rexford Tugwell, Undersecretary of Agriculture, at Los Angeles on October 28th is by far the most extraordinary and important pronouncement which has been made in this nation since the Civil War threatened to destroy the Union. I do not know what catastrophe will be required to shock this nation into a realization of the enormous consequences which are planned and are being executed by the Federal Administration and its little band of fanatic adventurers. The fact that Tugwell's amazing statements were not blazoned in black headlines in every newspaper in the country is difficult to understand."

#### Intellectual Saboteurs

"This band of revolutionary radicals proposes to overthrow this government. And they are doing it. By whatever misleading term they camouflage their program which Tugwell frankly outlines, they contemplate as complete a revolution as that of Russia, Germany or Italy . . . The equivalent of this promise can be heard at any Communistic gathering addressed by clever speakers, but the important thing to remember is that Tugwell is perhaps the most completely qualified spokesman of a revolutionary political group already entrenched in political power . . . This is no longer a matter of politics — of campaigns and elections. A group of revolutionists has, by almost incredible cunning, come into possession of our Government and proposes to subjugate the American people and destroy our deep-rooted American institutions and to forcibly institute another sort of society. The time for organized lawful action to eliminate this menace has arrived."

Boasting a quarter-century progress via compliant Senatorial confirmation, fortified by the mighty financial power of the Federal Reserve Board, with their revolutions exploding on schedule in chain reaction around the globe, and with a Soviet satellite in process of setting up in our Cuban backyard missile bases equipped to trigger attacks on American cities—well may these Presidential appointees insultingly jingle their Phi Beta Kappa and their CFR keys at us and snap their fingers in our faces. Or so they think.

Terrific reaction is setting in. Dedicated patriots have cooperated in a drive to awaken the consciences of our elected representatives and to revive the spirit

of Senatorial responsibility necessary to screen the personnel of appointive government offices. They have produced a series of letters titled *An Open Letter to a United States Senator* which presents and documents the deadly facts and if widely read could arouse a nationwide clamor for remedial legislative action that Congress could not withstand.

The admonition of that explosive *Examiner* editorial rings down the years to warn us that "The time for organized lawful action to eliminate this menace has arrived!"

Time was running out in the year 1935. It has run out in 1961!

We gratefully acknowledge permission to reprint the above from the October 1961 "The Cross and the Flag", (a monthly magazine, Christian and patriotic. \$2 per year. P. O. Box 27895, Los Angeles 27, California).

Says Mrs. Essig: "I listened to anecdotes of early family history at my mother's knee, who heard them at her father's knee, who heard them at his grandmother Edith Bradford's knee, who—at the age of three—sat on George Washington's knee. "ON THE HOUSE OF THE GOY (NON-JEW) ONE LOOKS AS ON THE FOLD OF CATTLE."—Tosefta Erubin VII, 1.

## Gems From The Talmud

"Marriages taking place among Gentiles have no binding strength, i. e., their cohabitation is just as the coupling of horses, therefore their children do not stand as humanly related to their parents." (Law 88).

"MEDINA IVRIT" (The Jewish State). Prague, No. 33, Sept. 27, 1935:

"In our hearts reigns but one sentiment. We command our hearts to banish all other emotions and to let themselves be led by that unique sentiment: that of revenge. Our people have now but one desire: TO DESTROY, RANSACK, BOYCOTT!"

KILL: In a 1931 booklet by Abraham L. Reiskind of New York, entitled "My Conception of God," the Jewish author admits: "There is a passage in the Talmud which is exceedingly bitter against the Gentiles, namely: 'The BEST of the Gentiles—KILL!'"

"A thing lost by a goy may not only be kept by the man who found it, but it is even forbidden to give it back to him."—Schulchan Aruch, Choszen Hamispat, 266, 1.

"The robbing of a Gentile is allowed as they are not our brothers" (Baba mezia 61).

"Should a Jew inform the goyish authorities that another Jew has much money, and the other will suffer a loss through it, he must give him remuneration."—Sz., Ar., Ch. Ha., 388.

"If there is no doubt that someone has thrice betrayed the Jews or caused their money to pass to the goys, a means and wise council must be found to do away with him."—The same.

"Although it is not a direct obligation for a Jew to kill a Gentile with whom he lives in peace, yet, in no case, is he allowed to save a Gentile's life." (Law 50).

Klatzkin, Jew, Zionist leader in Der Jude, 1916: "Only the Jewish Code rules our life. Whenever other laws are forced upon us, we regard them as dire oppression and constantly dodge them. We form in ourselves a closed juridical and business corporation. A strong wall built by us separates us from the peoples of the land in which we live—and behind that wall is a Jewish State."

## THE COMPLETE EXPOSURE OF THE JEW

**WHY JEWS ARE PERSECUTED FOR THEIR RELIGION:**

"A Jew is permitted to rape, cheat, and perjure himself; but he must take care that he is not found out, so that Israel may not suffer."—Schul. Aruch, Jore D.

"If a goy kills a goy or a Jew he is responsible; but if a Jew kills a goy he is NOT responsible."—Tosefta, Aboda Zara 8:5.

"It is permitted to kill a Jewish denunciator everywhere. It is permitted to kill him even before he has denounced."—Schulchan Aruch, Choszen Hamispat, 338.

"A Jewish mid-wife is not only permitted, but she is compelled to help a Jewish mother on Saturday (Jewish Sabbath) and when so doing to do anything which otherwise would desecrate the Saturday. But is forbidden to help a non-Jewish woman even if it should be possible to help her without desecrating the Saturday, because she is to be considered only as an animal."—Schul. Aruch, Orach Chaims, 539.

"A Jew may misuse the non-Jewess in her state of unbelief."—Maimonides, Jak. Chasaka 2:2.

"A Jew may violate but not marry a non-Jewish girl."—Gad. Shas. 2:2.

"A Gentile girl who is three years old can be violated."—Aboda Shara 37a.

"A Jew may do to a non-Jewess what he can do. He may treat her as he treats a piece of meat."—Nadarine, 20, B; Schulchan Aruch, Choszen Hamispat 348.

Who and what is in a position to overthrow an invisible force? And this is precisely what our force is. GENTILE masonry, blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding-place, remains for the whole people an unknown mystery.—(Protocol No. 4).

To complete the ruin of the industry of the GOYIM we shall bring to the assistance of speculation the luxury which we have developed among the GOYIM, that GREEDY DEMAND FOR LUXURY which is swallowing up everything. We shall raise the rate of wages which, however, will not bring any advantage to workers, for, at the same time, we shall produce a rise in prices of the first necessities of life, alleging that it arises from the decline of agriculture and cattle-breeding: We shall further undermine artfully and deeply sources of production, by accustoming the workers to anarchy and to drunkenness and side by side therewith taking all measure to extirpate from the face of the earth all the educated forces of the GOYIM.—(Protocol 6).

We will not give them peace until they openly acknowledge our international Super-Government, and with submissiveness.—(Protocol No. 9). (i.e., U.N.).

We have fooled, bemused and corrupted the youth of the goyim by rearing them in principles and theories which are known to us to be false, although it is by us that they have been inculcated.—(Protocol No. 9).

In countries known as progressive and enlightened we have created a senseless, filthy, abominable literature.—(Prot. 15)

Economic crises have been produced by us for the GOYIM by no other means than the WITHDRAWAL OF MONEY FROM CIRCULATION. . . . You are aware that the gold standard has been the ruin of the States which adopted it, for it has not been able to satisfy the demands for money, the more so that we have removed gold from circulation as far as possible.—(Protocol No. 20).

All that is necessary for the triumph of evil is that good men do nothing.—Edmund Burke.

When bad men combine, the good must associate, else they will fall, one by one, an unpitied sacrifice in a contemptible struggle.—Edmund Burke.

# JEW RELIGION EXPOSED

FROM THE "TALMUD" WHICH IS THE JEWISH HOLY BOOK, TAUGHT BY THE RABBI IN THE SYNAGOGUES, WE FIND THAT JESUS IS REFERRED TO AS:

an Am-haaretz, or ignorant clod, a fool, liar, deceiver, the bastard son of a harlot, who set up His churches

as warehouses with harlots inside to get male customers drunk until they disrobe and worship the "IDOL" Jesus as in Baal sex-worship. TODAY He is given FIVE deaths wherever "Judaism" is taught: He is sunken in "dung to the armpits" and strangled; sunken in "dung to the armpits" and boiling lead poured down His pried-open mouth to burn the intestines; He is decapitated; He is stoned to death; He is crucified as a "blasphemer" of this religion of Pharisaism. Christians rank far below prostitutes, with whom they are standardly compared. All are consigned to hell where "boiling excrement" is their punishment and "boiling semen" is Christ's. Mocking the Bible is no sin but mocking the Talmud "Sages" is the crime of crimes for which the above punishments are given. The "Sages" reverse every Biblical teaching. One may curse parents and beat them to the point of drawing blood when alive, but the sky is the limit when they are dead; a grown man may always rape or commit sodomy with a baby girl under three years old and may commit sodomy with little boys under "nine years and one day" and with a "terefah" (chronically sick person), a dead body or with a neighbor's wife. The basic doctrine of Pharisaic Judaism is that all non-Talmudists rank as non-humans, "the people that are like an ass—slaves who are considered the property of the master" (the human being or Talmudist). The non-Talmudist has no rights under any legal code whatsoever. The "Lord" will never forgive anyone who returns a lost article to a non-Talmudist UNLESS not returning it will jeopardize Jewry in general and expose the Jewish religion for the code of anti-human criminality that it is—THEN it is a crime not to return it. To try to kill a non-Jew is so meritorious that if in the effort to do this a Jew is killed, there is no penalty.

If a woman's lightest sin be that incestuous relations with an older son resulted in a younger son, her heaviest sin must then be "minuth" or Christianity. Even talking to a Christian is likened by the "Sages" to visiting a harlot's house. Murder, robbery, rape, deception of non-Jews, rank only as the meritorious acts of a human being who owns the chickens, cows and asses of creation for his own use. Every Talmudic authority boasts that Marxism was invented and has been led by "them which say they are Jews."

COMMUNISM-SOCIALISM is only the Talmudic code in action. It is sadistically ANTI-CHRIST, anti-human, filthy and SATANIC. It is no accident that all Jewish authorities today state that the Jewish religion as it is today springs in an unbroken line thru all the centuries from the PHARISEES. Nor is it any accident that the Divine Savior warned in the flesh and from the Spirit that the Pharisees were of the Devil (John 8:37-44; Luke 11; Matt. 23; Rev. 2:9;3:9) saying "I know the blasphemy of them which say they are Jews and are not but do lie and are of the synagogue of Satan" (Rev. 2:9;3:9).

But, today, as in the time of Christ, hatred of Him also inspires the buying up of Judases to betray Him:

"Woe unto you, scribes and Pharisees, hypocrites! for ye compass land and sea to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves" (Matt. 23:15).

The pagan Pharisees, whose Babylonian Talmud TODAY

permits burning children to Molech, did not gain mastery over Judaism until the Sadducees, sticklers for Scripture and against Pharisaic "Tradition" which nullifies the Bible, were overwhelmed after the Bible believing Jews accepted Christ and left the synagogue. Pharisees then took over and completely remodeled "Judaism" on abominator lines. (Matt. 23:31)

## JEW'S ADMIT IT WAS A JEW'S WAR!

The Jews themselves make no secret of the fact that the recent war was a Jewish one in its entirety. Consider the statements by Jews on it. The Jew Scholem Asch in a pep talk to French troops in the line, (written in the French newspaper Les Nouvelles Littéraires of February 10th, 1940), says "This is our war, and you are fighting it out for all of us. Even if we Jews are not bodily with you in the trenches, we are nevertheless morally with you."

The Rabbi Reichhorn wrote on July 1st, 1880, in the periodical Le Contemporain, "We shall drive the Christians into war by exploiting their national vanity and stupidity. They will then massacre each other, thus giving room for our own people."

The Jew Marcus Eli Ravage wrote in the periodical The Century Magazine of January, 1928, "We have stood at the back of, not only the last war, but all your wars; and not only the Russian, but of all your revolutions worthy of mention in your history."

The Jew Valadimir Jabotinsky, leading Zionist, wrote in his book "Die Fudische Kriegsfront, 1940: "When the Nations Socialists and their friends cry or whisper that this is brought about by the Jews, they are perfectly right."

The Jewish magazine The Sentinel of Chicago wrote in its issue of October 8th, 1942 as follows: "The second World War is being fought for the defense of the fundamental values of Judaism."

## FROM THE PROTOCOLS OF THE LEARNED ELDERS OF ZION (JEW CONSPIRACY FOR WORLD CONQUEST)

It is indispensable for our purpose that wars, so far as possible, should not result in territorial gains; war will thus be brought on to the economic ground, where the nations will not fail to perceive in the assistance we give the strength of our predominance, and this state of things will put both sides in the mercy of our international agentur: (agents and agencies made use of by the Jews) which possesses millions of eyes ever on the wealth and unhampered by any limitations whatsoever. Our international rights will then wipe out national rights, in the proper sense of right, and will rule the nations precisely as the civil law of States rule the relations of the subjects among themselves.—(Protocol No. 2).

Non-Jew, this is the truth that will make you free and can be proven in any OPEN American court. Copy it, scatter it, Organize, secretly, now, to beat these "Children of the Devil" at their own game. Fear not, God is with you in the spirit of our Lord Jesus, a Judean, but not a Jew. Your legal authority is in the 10th article of your country's constitution.

An exact copy of a map taken out of the secret files of the Communist Party. The blacked-in area represents what the Communists hope some day (if they can promote a bloody revolution) will be the Negro Communist Soviet. It represents approximately 120,000 square miles. About 10 million white people will have to be driven out of their homes. Among the leading cities that will be turned over completely to the Negroes will be Charleston, Atlanta, Shreveport, New Orleans, Savannah, as well as many others. The land which now belongs to the whites will be confiscated and turned over to the Red bureaucrats for control. Shortly before the war this plan was discussed in detail by Joseph Stalin in an address before Lenin University where 2,000 American Communists are being trained now to run the United States. As late as February 10, 1947, a copy of a textbook, now being used in the Russian Army, was exhibited before the Congressional Committee for the Investigation of the Un-American Activities. The title of the military textbook is "How to Bomb and Sabotage the U.S.A." Under the Communist plan the dark line marks the territory to be integrated on the border of the Black Soviet. All this along with the blacked-in area is to be governed by Paul Robeson or another loyal follower like him.

## WHY SHOULD WE HELP COMMUNISTS KILL AMERICANS ?

It may well be the women who will finally save our civilization from its headlong plunge to barbarism and its retreat to the Dark Ages; certainly the male of the species has shown little concern. The "wakened female of the species" could turn back the "stark enthusiasts" of our day: the Messianic devotees of communist feudalism.

It happened in Brazil. In the November, 1964 Reader's Digest, Clarence W. Hall wrote, in "A Country That Saved Itself": "To the women of Brazil belongs a huge share of the credit for stopping the planned Red takeover. By the thousands, on a scale unmatched in Latin American history, housewives threw themselves in the struggle and, more than any other force, they alerted the country." His feature article should be studied by every American. The parallels between conditions in Brazil as to ~~the situation~~ ~~and those~~ in the United States today are chilling and sobering.

"This nation which God has given us, immense and marvelous as it is, is in extreme danger. We have allowed men of limitless ambition, without Christian faith or scruples, to bring our people misery, destroying our economy, disturbing our social peace, to create hate and despair. They have infiltrated our nation, our government administration, our armed forces, and even our churches with servants of totalitarianism, foreign to us and all consuming . . . Mother of God, preserve us from the fate and suffering of the martyred women of Cuba, Poland, Hungary and other enslaved nations." This is a portion of the

moving declaration prepared by the women of Sao Paulo for their impressive "March of the Family With God Toward Freedom," on March 19, 1964.

"WHY SHOULD WE HELP COMMUNISTS KILL AMERICANS?" "The Soviet Union and her East European satellites are sworn to our defeat !!! Communist nations are producing weapons and shipping them to Viet Cong, to kill our sons."

"All communist countries are on the brink of economic collapse. Without the Soviet Union, Communist China could not exist. Every product America sells or gives to communist countries helps them avoid total economic collapse, and frees more of their resources to produce weapons of war to kill our sons. Why does the United States help them?

"If you think it right to help the communists kill our sons, DO NOTHING!" As always, the Mothers' Crusade does some most constructive activities. This movement just could be the answer to the creeping horror that has been insinuating its slimy tentacles into every segment of OUR society. It's time the women got mad !! It's time our appeasers and opportunistic politicians felt the wrath of the "instant, white-hot, wild, wakened female of the species, warring as for spouse and child."

# JEWS BOAST OF WORLD PLOT

Is there a world-wide Jewish conspiracy very well. Jews have been chased out of every country on earth, sooner or later, and where they haven't been chased out, they have been butchered. So to help God in the matter of keeping that peculiar promise, Jews seem to have hatched up a World Conspiracy of a less celestial, and more practical, nature. That World Conspiracy has been accelerated by their concentrated power of the purse on the one hand, and bloody revolutionary violence on the other — in other words, Communism!

## JEWS SAY SO

### GOD OKAYS THE CONSPIRACY

First come the rabbis, with their "holy" books — the Jerusalem and Babylonian Talmuds. While it is the statements of modern-day Jews in which we are primarily interested, nevertheless it is essential to know whence the Jew receives his religious authentication for the job he is attempting throughout all nations of the earth. Here are a few basic excerpts, giving the Jew his "religious" authority to perpetrate his World Plot—taken from the Torah, the most ancient source of Hebrew tradition—

"You are a people sacred to your Lord; he hath chosen you, that ye may be his own people among all those who are upon the earth." (Moses 1. 7. 6).

"And he will give their kings into thy hands and thou shalt extirpate their names from beneath the heavens; none shall be able to hinder thee until thou hast destroyed them." (Moses 5. 7. 24).

"Thou shalt lend to many peoples, but thou shalt borrow nothing. The Lord will put thee at the head and not at the tail; and thou shalt never be but on the top, and not beneath." (Moses 5. 28. 12-13).

"This day I shall begin to scatter fear among the nations, beneath all the heavens, so much that they will be terrified at the sound of thy name." (Moses 2. 2. 25).

"Ask of me, and I shall give thee the best . . . thine inheritance, and the most parts of the earth for thy possession. Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel." (Psalms, 2, 8-9).

"And the sons of strangers shall build up thy walls, and their kings shall minister unto thee." (Isaiah, 60, 10).

"For the nation and kingdom that will not serve thee shall perish." (Isaiah, 60, 12).

"But ye shall be named the Priests of the Lord . . . ye shall eat the riches of the Gentiles, and in their glory ye shall boast yourselves." (ib. 61, 6).

"Devour, then, all the peoples which thy Lord will give thee; let not thy eye spare them, and serve not their gods." (Moses 5. 7. 15).

"Ye Israelites are called men, while the nations of the world are not to be called men, but beasts." (Talmud, Baba Mezia, fol. 114, col. 2).

"The progeny of a foreigner (that is, of a non-Jew) is like the progeny of animals." (Jebamoth, fol. 94, col. 2).

"What is the meaning of Har Sinai, that is, Mount Sinai? It means the mountain from which radiates Sina, that is, hatred against the people of the world." (Schabbath, fol. 89, col. 1).

"Wherever the Hebrews go, they must make themselves the master of their lords." (Sanhedrin, fol. 19).

"The Most Holy spoke thus to the Israelites: You have recognized me as the ruler of the world, and for that reason I will recognize you as the only rulers of the world." (Chaniga, fol. 3-a, 3-b).

### JEWS BRAG OF A WORLD PLOT

Take note of that last quotation. It is a direct translation from the Jewish "holy" books. It indicates that the Jews are the only people on earth who seem to have recognized the One God, wherefrom they draw the deduction that God in turn recognizes no other people but themselves, as fit to lead the world. On the other hand, over the past four thousand years, God doesn't seem to have kept His part of the covenant

very well. Jews have been chased out of every country on earth, sooner or later, and where they haven't been chased out, they have been butchered. So to help God in the matter of keeping that peculiar promise, Jews seem to have hatched up a World Conspiracy of a less celestial, and more practical, nature. That World Conspiracy has been accelerated by their concentrated power of the purse on the one hand, and bloody revolutionary violence on the other — in other words, Communism!

Do you think there is no evidence of a World Plot to subjugate Gentiles, overturn governments and substitute Judaism for Christianity? Or are you naive enough to fall for the "whitewash" that charges of such a plot are the work of Judah's "enemies"?

Well, what have you to say to the direct and shameless admissions that follow?

Take particular note that they are direct quotations out of the mouths of Jews themselves. Who spoke the words, or wrote them, and when and where, are all appended to each quotation—

"We intend to remake the Gentile — what the Communists are doing in Russia. Three generations may be required." — Rabbi Lewis Browne, in his book, "How Odd of God," 1924.

"We Jews, we, the destroyers, will remain destroyers forever. Nothing that you will do will meet our needs and demands. We will forever destroy because we need a world of our own." — Maurice Samuel in his book, "You Gentiles," page 155.

"I do not consider the Jewish question either as a social or as a religious problem. It is a national question. . . . We are the only people." — Theodore Herzl, "Modern Jewish Prophet."

"The great ideal of Judaism is . . . that the whole world shall be imbued with Jewish teachings, and that there be a Jewish Brotherhood of Nations—a greater Judaism in fact—all the separate races and religions shall disappear!" — From "The Jewish World," issue of February 9, 1883.

"The principal end, which is Hebrew world domination, is not yet reached. But it will be reached and it is already closer than the masses of the so-called Christian States imagine. Russian Czarism, the German Empire and militarism are overthrown, all peoples are being pushed toward ruin. This is the moment in which the true domination of Jewry has its beginning." — Judas Schuldbuch, in "The Wise Men of Zion."

"There will come into being a new and complete organization of all the peoples of the earth. The maps of the earth in use today, will be worthless in the Regnum (Messianic) . . . On the basis of the light which emanates from the Sacred Scriptures we can look forward to Jerusalem being the capital of the world." (Id. in Rechtfertigung, III, p. 321, and "Eine winschenswerte Regierung," p. 35). "The Jews will obtain the dominion over all the earth." — The Jew Russell, in "Schriftstudien," 1917.

"The Jew is not satisfied with de-Christianizing, he Judaizes, he destroys the Catholic or Protestant faith, he provokes indifference but he imposes his idea of the world, of morals and of life upon those whose faith he ruins; he works at his age-old task, the annihilation of the religion of Christ." — Bernard Lazare, in his book, "L'Antisemitisme," page 350.

"A rationalized Hebrew State founded on Hebrew fundamental laws, ethical, social, sanitary, and dietary, and all the rest, would be a working laboratory of social regeneration, which would excite breathless attention." — A. A. Berle Jr., in "The Significance of the Jewish State."

"The Jewish people, considered as a whole, will itself be its own Messiah. Its sovereignty over the world will be reached by means of the unification of the other human races, the elimination of frontiers and monarchies, which are the ramparts of particularism, and by means of the institution of a world republic

which will grant everywhere civil rights to the Jews. In this new organization of humanity the sons of Israel will become everywhere, without meeting an obstacle, the directing element, especially if they are successful in bringing the proletarian masses under the direction of some of their own number. The governments of the peoples included in this world republic, with the aid of the victorious proletariat, all will fall without difficulty into Jewish hands. Private property will then be strangled by the Jewish directors, who will administer the state patrimony everywhere. Thus the promise of the Talmud will be fulfilled, that is, the promise that the Jews, at the arrival of the Messiah, will possess the key to the wealth of all the peoples of the earth." — Baruch Levy, in world-famous letter to Karl Marx.

"Without having been absorbed, today the Hebrew spirit dominates where at first it was hardly endured. We no longer need to close ourselves up in the medieval Ghetto, since we have for some time possessed the dominion which was promised to us. Without us no potentate in the world can undertake anything, for we control the gold market. No word contrary to our taste is published because we control the press. No idea which displeases us penetrates the intellectual world, because we dominate the theater. The Hebrew spirit has conquered the world." — The Jew Maritz Cohn, in his book, "Weissen von Zion," page 27.

"We will attract the proletariat by gold and enticement; they will assume the task of annihilating Christian capitalism."

"We will promise the workers wages of which they have never dared to dream, but we shall also raise the price of necessities, so that our profit will be even greater."

"In this way we will prepare the way for revolutions which the Christians themselves will make and of which we ourselves shall reap the fruits." — Reuben Dichhorn's remarks at the Tomb of Grand Rabbi Simeone ben Ithud.

"The time has come—one thing we want—to show ourselves for what we are—a nation amidst the nations—money princes, princes of intellect.—A sigh will go up from the whole earth.—And the armies will tremble as they listen to the wisdom which dwells in the Jews."

"Who does not know what the glands in the human body represent? Now in the modern community of nations the Jews have in wise self-protection settled on the glands. These glands are: Exchanges, banks, ministries, daily papers. —Publishers, settlement commissions, insurance companies, hospitals, peace palaces."

"There are some publicans and sinners, savants and professors who assert there is no Jewish question.—Ask that young street urchin, he knows better. —Out of warlike ambition he is anti-Semite, the loud. Of course the Jewish nation should possess international representation and have its own territory."

"Do not however believe that the Jews of Western Europe will move one step from the spot. —Apparently everything will stay the same, yet all will be quickly changed.—Jerusalem will become the new papacy. —Jerusalem will be as a busy spider, a spinning spider in a web whose threads of electricity and gold glisten over the world. The centre of this golden web to which all threads run is Jerusalem." —From the Jewish poem by Louis Levy, recited by the Jewish actor Bismarck.

"No agitators did more to bring in the revolution (French) of 1845 than the two Jews, Heinrich Heine and Ludwig Borne. It was a Jew, Leon Trotsky, who led the Red Army which saved the Communist Cause in Russia. It was a Jew, Karl Liebknecht, aided by a Jewess, Rosa Luxembourg, who led the Spartacist insurrection in Germany. It was a Jew, Bela Kuhn, who set up the Red Army in Hungary. It was a Jew, Kurt Eisner, who led the Socialist Putsch in Bavaria. In the Jew, revolutionary activity seems to

be the one road to ultimate freedom."—Rabbi Lewis Browne, in his book, "How Odd of God," 1924.

"All through history the spirit of the Jews has been revolutionary and subversive, but subversive with the idea of constructing over ruins."—By the Jew A. S. Rappaport, in "Pioneers of Revolution," 1918.

"When the Jew gives his thought, his devotion, to the cause of the workers and of the dispossessed, of the disinherited of the world, the radical quality within him goes to the roots of things, and in Germany he becomes a Marx and a Lassalle, a Haas and an Edward Bernstein; in Austria he becomes a Victory Adler and a Friedrich Adler, in Russia, a Trotsky. Just take for a moment the present situation in Russia and in Germany. The revolution set creative forces free, and see what a large company of Jews was available for immediate service. Socialist Revolutionaries and Mensheviks, and Bolsheviks, Majority and Minority Socialists—whatever they be called—Jews are to be found among the trusted leaders and the routine workers of all these revolutionary parties."—Rabbi Judah L. Magnus, in a New York address, 1919.

"Nations will gather together to bring their homage to the people of God; the whole fortune of nations will pass into the hands of the Jewish people, they will march behind the Jewish people, in chains as captives, and will prostrate before it; kings will bring up its sons, and princesses will suckle its children. Jews shall command nations; they will call to them peoples which they do not even know, and peoples which know them will run after them. The riches of the sea and the wealth of nations will come by themselves to the Jews. Peoples and realms that will not serve Israel will be destroyed. The Chosen People will drink the milk of nations and suck the breast of kings, eat the fortunes of nations and dress in their magnificence. Jews will live in plenty and joy, their happiness will be ceaseless, their hearts will rejoice, they will grow like grass. Jews will be a race blessed by God, the priests and servants of God and their whole people will be a nation of pious. The issue of Jews and their name will be eternal, the smallest among them will multiply by the thousands and the lowest

will come a great nation, God will seal with them an eternal covenant. He will reign anew upon them, and their power over men will be such that, according to the accepted expression, they will walk by great strides on the heights of the earth. Nature itself will be transformed into a sort of paradise on earth, it will be the golden age of humanity."—Isador Loeb, in "Le Problem Juif," Paris.

"The dispersion of the Jews has rendered them a cosmopolitan people. They are the only cosmopolitan people, and in this capacity must act and are acting, as a solvent of national and racial differences. The great Ideal of Judaism is not that Jews shall be allowed to flock together one day in some hole-in-the-corner fashion, for, if not tribal, at any rate separatist objects but that the whole world shall be imbued with Jewish teachings, and that in a universal Brotherhood of Nations—a greater Judaism, in fact—all the separate races and religions shall disappear.

"As cosmopolitan people, Jews have passed the stage that the national forms of separatism represents in social life. They can never come back to it. They have made the whole world their home and now extend their hands to other nations of the earth so that they follow their example. They do more. By their activities in literature and science, by their dominant position in all branches of public activity, they are gradually moulding Gentile thinking and systems into Jewish moulds."—From "The Jewish World," London, February 9, 1883.

"An insurrection takes place against tradition and aristocracy, against religion and property. Destruction of the semitic principle, extirpation of the Jewish religion, whether in the Moslem or in the Christian form, the natural equality of man, and the abrogation of property, are proclaimed by the secret societies who form provisional governments, and men of Jewish race are found at the head of every one of them. The people of God cooperate with atheists; the most skillful accumulators of property ally themselves with communists; the peculiar and chosen race touch the hand of all the scum and low castes of Europe! And all this because they wish to destroy that ungrateful Christendom, which owes to them even its name, and whose tyranny they can no longer endure."—Benjamin D'Israeli, in Lord George Bentinck, page 357.

"The union which I here to found will not be a French, English, Irish, or German Union, but a Jewish one."

"Other peoples and races are divided into nationalities; we alone have no co-citizens, but exclusively co-religionists."

"A Jew will under no circumstances become the friend of a Christian or a Moslem before the moment arrives when the light of a Jewish Faith, the only religion of reason, will shine all over the world."

"Scattered amongst other nations, who from time immemorial were hostile to our rights and interests, we desire primarily to be and to remain immutably Jews."

"Our nationality is the religion of our fathers, and we recognize no other nationality."

"We are living in foreign lands, and cannot trouble about the mutable ambitions of countries entirely alien to us, while our own moral and material problems are endangeled."

"The Jewish teaching must cover the whole earth. Israelites! No matter where you should lead—though scattered all over the earth, you must always consider yourselves members of a Chosen Race."

"If you realize that the Faith of your forefathers is your only partition—"

"—if you recognize that, notwithstanding the nationalities you have embraced, you always remain and everywhere form one and only nation—"

"—if you believe that Jewry only is the one and only religion and political truth—"

"—if you are convinced of this, you, Israelites of the Universe—consent!"

"Our cause is great and holy, and its success is guaranteed. Catholicism, our immortal enemy, is lying in the dust mortally wounded in the head."

"The net which Israel is throwing over the globe of the earth is widening and spreading daily, and the momentous prophecies of our holy books are at last to be realized."

"The time is near when Jerusalem will become the house of prayer for all nations and peoples, and the banner of Jewish unity will be unfurled on the most distant shores."

"Let us avail ourselves of all circumstances."

"Our might is immense—learn to adopt this might for our cause."

"What have you to be afraid of?"

lutionary leaders nearly all belong to the Jewish race and the most effective revolutionary agency is the Jewish bond, which has its headquarters at Bukarest, where the movement originated last June. The government has suffered more from this than from all of its other opponents combined. Whenever a revolution is contemplated it is always done by a Jew, and there is scarcely one local trouble of that race in the entire Empire. The great strike which paralyzed the Empire and compelled the Czar to grant a constitution and a parliament was conceived and managed by a Jew named Kravchik, president of the workmen's council, a young man only thirty years old. He was sent to the penitentiary for life, and had not been behind the bars more than three weeks when he organized and conducted a successful strike of the prison employees.

Maxim, who organized and conducted the revolution in the Baltic provinces, is a Jew of marvelous ability. Last fall he came over here lecturing and collecting money to carry on the revolutionary campaign, but for some reason has vanished and nobody seems to know what has become of him.

Trachman, the most resourceful leader of the terrorists, who was condemned to life imprisonment in the silver mines on the Mongolian frontier, has recently escaped in a water cask, and is supposed to be in San Francisco. He is a Polish Jew, only twenty-seven years old. I might enumerate a hundred other revolutionary leaders and every one of them would be a Jew. Whenever you read of an assassination or of the explosion of a bomb you will notice in the newspaper dispatches that the man was a Jew. The most sensational and dramatic episode that has occurred since the revolution was on October 27, when, in the very center of Saint Petersburg, at the entrance of Kazan Cathedral, four Jews held up a treasury wagon and captured \$2,000,000. They passed the package to a woman who instantly vanished, and no trace of her has ever been found; but they were

all arrested and were promptly punished. On the 8th of November a few Jewish revolutionaries entered a treasury car near Hagen, in Poland, got \$500,000, and disappeared. Every deed of that kind is done by Jews, and the massacres that have checked the movement, and occurred in response to the Czar's "accuse" have invariably been organized and managed by the exaggerated police authorities in retaliation for crimes committed by the Jewish revolutionaries.

## Editor's Note

This actual photograph, reduced in size, speaks for itself.

The following from the Protocols of the Elders of Zion also carries an important message for those who doubt a world Jewish plot.

14 . . . Remember the French Revolution, to which it was we who gave the name of "Great"; the secrets of its preparations are well known to us for it was wholly the work of our hands.

15 . . . Ever since that time we have been leading the peoples from our disenchantment. Another, so that in the end they should turn also from us in favor of that King Despot of this blood of Zion, whom we are preparing for the world.

Protocol III

## JEW SAYS SO

(Continued from Page 3)

"The day is not distant when all the riches and treasures of the earth will become the property of the children of Israel." —Adolphe Cremieux, Jew, in "The Manifesto," London Post, September 6, 1920.

"You resent us, but you cannot clearly say why."

"Not so many years ago I used to hear that we were money-grubbers and commercial materialists; now the complaint is being whispered around that no art and no profession is safe from Jewish invasion."

"We shirk our patriotic duty in war time because we are pacifists by nature and tradition, and we are the arch-plotters of universal wars and the chief beneficiaries of those wars."

"You accuse us of stirring up revolution in Moscow. Suppose we admit the charge. What of it?"

"You make much noise and fury about undue Jewish influence in your theatres and movie palaces. Very good; granted your complaint is well founded. But what is that compared to our staggering influence in your churches, schools, your laws and your government, and the very thoughts you think every day?"

"You have not begun to appreciate the real depth of our guilt. We are intruders. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them. We have been at the bottom not merely of the latest great war but of nearly all your wars, not only of the Russian but of every other major revolution in your history. We have brought discord and confusion and frustration into your personal and public life. We are still doing it. No one can tell how long we shall go on doing it."

"Who knows what great and glorious destiny might have been yours if we had left you alone."

"But we did not leave you alone. We took you in hand and pulled down the beautiful and generous structure you had reared, and changed the whole course of your history. We conquered you as no empire of yours ever subjugated Africa or Asia."

"We did it solely with the irresistible might of our spirit, with ideas, with propaganda."

"... Take the three principal revolutions in modern times — the French, the American and Russian. What are they but the triumph of the Jewish idea of social, political and economic justice?"

"And the end is still a long way off. We still dominate you."

"Is it any wonder that you resent us? We have put a clog upon your progress."

"We have merely divided your soul, confused your impulses, paralyzed your desires."

"So why should you not resent us? If we were in your place we should probably dislike you more cordially than you do us. But we should make no bones about telling you why."

"You call us subversive, agitators, revolution-mongers. It is the truth, and I cower at your discovery."

"We undoubtedly had a sizable finger in the Lutheran Rebellion, and it is simply a fact that we were the prime movers in the bourgeois democratic revolutions of the century before last, both in France and America. If we were not, we did not know our own interests."

"The Republican revolutions of the 18th century freed us of our age-long political and social disabilities. They benefited us."

"You go on prattling of Jewish conspiracies and cite as instances the Great War and the Russian Revolution! Can you wonder that we Jews have always taken your anti-Semites rather lightly, as long as they did not resort to violence?" —Marcus Eli Ravage, in "Century Magazine," January-February, 1928.

What a wealth of meaning is contained in this last quotation: "As long as they—Gentiles—did not resort to violence." Violence

## Let's Revive The Spirit of '76

is abhorrent to the Jew, when exerted upon himself; but it is "social progress," and the "rise of the proletariat" when the Jew undertakes to wreak it upon the Gentiles."

Yes, there is a world plot to overthrow all Christian governments and bring the whole earth beneath the heel of Christless Judaism.

The plan is outlined in the PROTOCOLS OF THE LEARNED ELDERS OF ZION and every Christian should be familiar with this diabolical plot. The Jews claim it is a forgery, but as Henry Ford stated in the New York World, Feb. 17, 1921:

"The only statement I care to make about the Protocols is that they fit in with what is going on. They are sixteen years old, and they have fitted the world situation up to this time. THEY FIT IT NOW."

We are indebted to William Dudley Pelley who compiled the quotations in this issue taken from his book, "Jews Say So."

In the early days of New Deal treason, there was one man under the Roosevelt red regime during the 1930's who dared fight the entrenched red Marxists in our government: WILLIAM DUDLEY PELLEY. Pelley, founder of the "Silver Shirts," was convicted of sedition arising from articles contained in his magazine "Galilean" which were allegedly "giving aid to our country's enemies." Those familiar with Pelley's pro-American activities maintain he was railroaded into jail because he was anti-Communist and favored "wholesale and drastic ousting of every radical Jew from the U.S."

Pelley's exposure of the treasonous activities in the New Deal, earned him the title "Dean of anti-subversionist fighters." He died at the age of 75 on June 30, 1963, a forgotten patriot.

## Benjamin Franklin and the Jews

"In whatever country Jews have settled in any great numbers, they have lowered its moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated, have sneered at and tried to undermine the Christian religion, have built up a state within a state, and have, when opposed, tried to strangle that country to death financially."

"If you do not exclude them from the United States in the Constitution, in less than 200 years they will have swarmed in in such great numbers that they will dominate and devour the land and change our form of government."

"If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish the substance while they will be in the counting house rubbing their hands. I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves. Jews, gentlemen, are Asiatics; they will never be otherwise."

The above is taken from an address delivered by Benjamin Franklin before the Constitutional Convention in Philadelphia in 1787.

## BONDAGE OF THE FREE

By KENT H. STEFFGEN

A most thought-provoking and penetrating analysis of the so-called "Civil Rights" movement and integration

BONDAGE OF THE FREE spans the hundred years from Lincoln to LBJ along the civil rights trail. The author traces present day civil rights revolution to its predecessor THE FRENCH REVOLUTION, and points out that it has adopted the same mob rule slogan: "LIBERTY, EQUALITY, FRATERNITY." Steffgen reviews the first southern reconstruction, led by fortune hunters and bolsheviks, which turned the American dream into a horrifying nightmare for both white and Negro alike. Today it is a new generation of radicals preparing for a new power grab in the most diabolic betrayal in U.S. history. Puts stark reality of Negro question into proper focus and establishes with documented findings by authorities in both races, the complete impracticality of integration and the complete incompatibility of the Negro to measure up to white standards on intellectual, social or moral grounds.

Why have Americans been turned into guests in their own country? Who has made them vassals of the state? BONDAGE OF THE FREE establishes beyond question it is the white race that is wearing the chains. 381 Pages — Price \$1.00.

## BOOKS and LITERATURE

### BE INFORMED . . . SPREAD THE TRUTH

Communism is rapidly enveloping the entire world, unhampered by the forces of Christianity and the efforts of Christian leadership. Why? Why are the American people ignorant when it comes to the one movement which will ultimately destroy them and their families? The answer to these questions are obvious when the facts are known regarding the control of the press and other means of communication. The American people are being prevented from knowing what atheistic Communism is. The

truth is not allowed to be uttered over the radio or television or printed in the press. Good American authors work hard writing books and then find it difficult or impossible to have them published. The following is a list of some of the finest works available.

Inform yourself while there is still time. Equip yourself with the knowledge which may eventually save not only your country, but also your life.

#### THE WORLD CONQUERORS THE REAL WAR CRIMINALS

By Louis Marschalko

WORLD CONQUERORS expresses some of the bitterness and contempt of millions of enslaved Europeans for the rulers of the "victorious nations." It shows that by being urged to throw off the German yoke, the central European nations were tricked into becoming satellites of the Soviet. WORLD CONQUERORS indites the real criminals. It gives horrifying glimpses of the agony behind the Iron Curtain and describes the plot to extend the slave system to the Western world. From this book the reader will also learn something of the situation in Germany following surrender. Thousands of copies of the Hungarian edition have been sold and this English translation is published to warn the West. It is written by one who is a firm friend of the English-speaking people but an implacable foe of their vacillating and corrupt governments.

## THE PENTAGON CASE

By Col. Victor J. Fox

A NOVEL OF THE COLD WAR

THE PENTAGON CASE is fiction. Yet it portrays in merciless detail a far more dangerous situation—a shocking national disgrace which discerning readers will quickly recognize as having foundations in fact. In effect, this story is a powerful endorsement of the Congressional Investigating Committees which have been hamstrung by recent decisions of the U.S. Supreme Court. It is also a scathing indictment of the naive stupidity with which our Armed Forces all too frequently co-operate with magazines, movies and TV programs aimed at undermining our military morale and destroying our nation's will to resist!

## Kuhn Loeb and Lehman Brothers Control Uranium In United States

By Sam Crockett

Under cover of the smoke screen of battle which arose between the two power factions involved in the titanic conflict waged last year over Lewis (Lichtenstein) Strauss' nomination to the post of Secretary of Commerce, a secret of great import to this nation slipped out into print. It dealt with the control of uranium.

Lewis Strauss, as is well known now, was associated with Kuhn, Loeb and Company from 1919 to 1947, the last 18 years as a full partner. He married Alice Hanauer, the only child of Jerome Hanauer (✱), who had been with Kuhn, Loeb and Company since 1891 and a partner of Jacob H. Schiff (✱) since 1912. Among the multiplicity of private activities of Lewis Strauss (who un-Jewishly pronounces his name 'Straus') are his trusteeship in the cited Communist-front Institute of Pacific Relations; membership on the executive committee of the American Jewish Committee, and on the board of directors of the Jewish Theological Seminary; treasurership of the Jewish Theological (Talmudic) Seminary of America; presidency of the sinister Institute for Advanced Study at Princeton, N.J. operating center for the Soviet espionage agent Albert Einstein and his successor, Julius Oppenheimer, named communist who also was accused of being a Soviet agent by the executive director of the Joint Committee on Atomic Energy, William Borden (A); co-chairman of the National Conference of Christians and Jews; financial advisership to the Rockefeller family (Anna Rosenberg also advises the same family); membership on the Atomic Energy Commission (AEC) from 1946-50 and chairmanship of the same agency from 1953-58 (B).

Lewis Strauss is evidently a very powerful Jew indeed, therefore why was he ignominiously ousted from public service during the recent fight mentioned above; and why was Senator Clinton P. Anderson of New Mexico, Chairman of the Joint Committee on Atomic Energy, the leader in the fight to force Strauss out of the Government? One very potent reason—and very valid one—lies buried in the Congressional Record of May 28, 1959 on pages 8433-34. Senator Anderson, during a speech he made on the selection by acting Secretary of Commerce Strauss of Armand G. Erpf to head the Department of Commerce study of national transportation policy did a very courageous thing; he not only attacked Kuhn Loeb and Company, but also revealed a hidden aspect of Kuhn Loeb's operations which pointed the finger unerringly towards an act of super-treason beyond belief. What that act was will be dealt with shortly.

First, however, we should identify Mr. Armand Grover Erpf, the investment banker whose selection by Strauss provided Anderson with an excuse to take on the murderously powerful international banking firm of Kuhn Loeb. Erpf (C) was an official of Carl M. Loeb, Rhodes and Company from 1933-36 and a general partner of the firm from 1936 to date. The partners of this firm and their customers own more than 20

Lewis (Lichtenstein) Strauss

million in shares in the biggest railroads (D); Erpf himself having holdings of \$321,000 in Seaboard Airline Railroad Company (the total assets of which in 1958 were only \$355,853 (E)). No wonder Anderson felt there was a conflict-of-interest between Erpf's association with his firm and his duties to study the transportation needs of the nation. But what has Erpf to do with Kuhn Loeb, whose interest Strauss serves?

The answer lies in the interlocking relationship of all the top Jewish firms on Wall Street, which includes arranged marriages between the controlling families. Adele Lewisohn married Arthur Lehman (brother of Herbert Lehman) and had two daughters by him: Helen, who married Benjamin J. Buttenwieser, limited partner in Kuhn Loeb and intimate friend to Alger Hiss before and after his conviction for perjury; and Frances, who married John L. Loeb, son of Carl M. Loeb, founder and senior partner of Carl M. Loeb, Rhodes and Company. (F) Anyone who is at all acquainted with the meaning of marital ties among the Jewish banking families—witness the incestuously related Rothschilds—will understand the Lehman Brothers-Kuhn Loeb-Carl M. Loeb relationship here indicated for what it is. Strauss had other motives, however, than just favoritism when he selected Erpf to conduct a transportation study for the Department of Commerce. What were they? Here is what Senator

## T.V. TRAP EXPOSED

By The Editor

On November 24th, Mr. Bill Peters of Columbia Broadcasting System in New York, was in our office for an hour. He said CBS was preparing a two hour program on TV Channel 2, Sunday between 7 and 11 P.M. to be put on in March. He said this would be an opportunity to tell our story to 25 to 40 million people. They wanted to bring 7 men with equipment and film to interview me in each room of our headquarters.

Peters, who apparently is not a Jew, makes a good appearance. He said they were going to interview several who represent nationalist opinion and put on one large program. He named two he had interviewed on film. They would screen the interview and he admitted that only 5 minutes of the 3 hour interview with me would be used.

When I told Peters, CBS was not interested in helping COMMON SENSE, but wanted to end us, he assured us that CBS wanted to give such as us an opportunity to broadcast our ideas and we would not be interrupted or interfered with. Peters called seven times from New York during the following three weeks. I suggested they put Ben Freedman and myself on a live TV program, in a debate, with four of the A.D.L.'s best men. Peters said someone may be libeled and CBS sued. I then arranged for Peters to meet Ben Freedman in New York; they talked an hour in the Commodore Hotel.

Mr. Freedman proposed that CBS give a letter agreeing that I was to OK the script before it was shown, and failing, was to be paid \$250,000. This was turned down by Will Weston who was to have charge of the program. Peters arranged an appointment for Mr. Freedman with Irving Gitlin, head of Public Relations for CBS for Tuesday, December 22nd. The talk lasted three hours with Will Weston and Peters present. When Mr. Freedman asked Weston if he was a Jew he said "No, he was an atheist." Under pressure from Mr. Freedman, Weston then admitted he was a Jew.

Freedman and Weston had bitter exchanges; Mr. Freedman called him a stinker and told him it was evident he intended to sandwich me in between bombed synagogues and schools, and that it appeared to be a trap in which the Anti-Defamation League and CBS were cooperating. They seemed extremely anxious to film our offices from inside and discredit us on the air.

F. Allen Mann, editor of CHRISTIAN PATRIOT'S CRUSADE, Hinsdale, Illinois, had a similar experience. Peters called on him after several phone calls from New York, then came to Chicago with Will Weston and four technicians, registering at the Palmer House. They arrived in Hinsdale to film an interview with Mr. Mann; how-

# Are Zionists taking control of American Legion?

## OPEN LETTER

CAMPBELLTON FARM

Barboursville, Virginia  
December 9, 1959

Hon. Martin B. McKnealy  
National Commander, The American Legion  
Indianapolis 6, Indiana

Dear Sir:

In the December number of the American Legion Magazine I observe that a portrait of Rabbi Robert Kahn is given top position, along with a portrait of you, above the National Vice Commanders and others who constitute the National Executive Committee of the American Legion.

I also observe that the feature article of the December number of the American Legion Magazine is a Christmas message from "the well known columnist" George Sokolsky.

Since the population of this country is overwhelmingly Christian, as far as numbers are concerned, and since the membership of the American Legion doubtless has a similar proportion of those who believe in Christianity and its type of civilization, I cannot understand why a Rabbi was named National Chaplain. If Jews insisted on having the needs of their cult looked after by a "chaplain," it seems to me that the Legion might have chosen two chaplains — one of them a Christian.

With regard to the Christmas message, it struck me as strange that no suitable message could be had from some person, clerical or lay, among the more than 150,000,000 people in this country who adhere to Christianity or Christian civilization. It is of course the privilege of the American Legion to do what it pleases. If it wishes its spiritual needs looked after by a Rabbi, and its Christmas message sounded off by Mr. Sokolsky, that is the Legion's right and privilege. Under such circumstances, however, I don't see how any self-respecting Christian American can be satisfied with things as they now are in the American Legion.

If I were younger, I should wish to join any other Christians in the Legion who might hope to see a Christian viewpoint given at least some representation in such matters as chaplaincies and Christmas messages. In view of my age, however, there is nothing I can do as a Christian, except resign from an organization which accepts guidance in spiritual matters from the one force in the world which has the longest and most consistent record of denying the basic facts on which Christianity was founded.

I hereby submit my resignation as a member of the American Legion. I hope you will find it possible to print this letter in full and unchanged, in an early number of The American Legion Magazine.

Respectfully,  
John Beaty

## UNDENIABLE EVIDENCE

In connection with the above we give you interesting quotes from THE AMERICAN JEWISH COMMITTEES BUDGET FOR 1953. This is a 281 page secret report made only to the Jewish officers of this organization which reveals clever brainwashing of Christians.

Excerpts from page 122: "Having responsible leaders speak for or endorse causes of concern to the American Jewish Committee and condemn those groups or individuals who engage in activities which the American Jewish Committee considers inimical to the best interests of the community, state and nation.

Col. John Beaty

"We frequently supply speeches or speech material to officials of the Legion and Veterans of Foreign Wars. Content covers civil rights and civil liberties; public school issues; the current rise of Nazism in Germany; the danger of attempts to divide our population on the basis of race, creed or color; the need of stronger community service activities; the importance of UN efforts to strengthen human rights.

"We have met with fairly good success in the use of this material by leaders. Practically all of the addresses delivered by the National Chaplain of the Legion during 1950-1 were supplied by us, for which he expressed appreciation. Many of our speeches were used in national broadcasts by the Commander-in-Chief of the Veterans of Foreign Wars, and those not thus used were printed and circulated to departments and posts of the VFW in clip-sheet form. . . . 'Knowing of our interest in liberalization of the Immigration laws, we were informed, by a prominent Legionnaire, of a move to have the 1951 convention endorse the McCarran Act in toto. Thereupon, the Chairman of the Executive Committee of the American Jewish Committee and the Director of this Division met with the persons involved and agreed on plans which ultimately prevented endorsement.

" . . . We supplied much of the material and photographs for the AMERICAN LEGION MAGAZINE article 'Israel and the Soviet Union,' wherein the American Jewish Committee was quoted as the source of several statements. A recent Legion article suggested by us showed how unsuccessful the Communists have been in their attempts to recruit Jews, Negroes and other minority group to their cause.

Page 124: "It is interesting to note the replies reported by Elmo Roper to the question of where people prefer to turn for political advice during the current political campaign. First choice on the list was THE AMERICAN LEGION. If polls may be relied on, this points to the desirability of more active participation in post activities on the part of those ALC members who are veterans.

"We know from experience that many posts are looking for sound leadership; indeed, the lack of it accounts for projects which are looked upon with disfavor by the community at large. Our members might well serve as a liberalizing influence in veterans' undertakings, and would at least help to block reactionary proposals.

"It is strongly recommended that the Veterans Division be authorized to work diplomatically to this end.

"It is also recommended that we organize a National Veterans Advisory Committee,

composed of Jewish leaders located in various parts of the country who would not only give guidance and advice to the Veterans Division, but would also work as individuals to advance our aims."

## CHRISTIANS BRAINWASHED

This Budget Report is indexed as to subjects dealt with and lists the enormous amounts spent on each project where Christians are brainwashed.

Some of the divisions are FACTFINDING, LEGAL, PUBLIC INFORMATION, EDUCATION, PRODUCTION, RADIO & TELEVISION, FILM, MAGAZINE & PRESS, LABOR, INTER-RELIGIOUS, VETERANS, YOUTH INTERGROUP EDUCATION, SCIENTIFIC, COMMUNITY SERVICE, FOREIGN AFFAIRS, JEWISH INFORMATION, JEWISH COMMUNITY RELATIONS, AMERICAN JEWISH COMMITTEE INTERPRETATION, EDUCATION IN AMERICAN JEWISH ATTITUDES, WASHINGTON OFFICE SERVICE OPERATIONS & UNMET NEEDS.

These people spend millions to direct every phase of Christian lives. WHY?

## Who Hates Who?

Compare the world-wide excitement by Jews over the painting of synagogue doors in 34 countries with the interest shown by non-Jews when millions of Christians were being slaughtered by Jewish Communists. How much newspaper space was devoted to condemning the extermination of Christians? Since 1917, when the Jews from the East Side of New York set up communism in Russia, between 50 and 75 million Christians were slaughtered in communist controlled countries. While these Christians were being killed in the process of enslavement of their countries by communists, the U. S. Government did not protest. 30,000 Ukrainian U. S. citizens signed a petition to President Roosevelt, asking that he protest the slaughter in Ukraine, but when communist Jews swarmed into Germany from the Soviet Union to take over from the inside, just as the European Jews are swarming into the U. S. now, and camps were set up to keep them under surveillance, Zionists in the U. S. set up a scream of persecution. No one had accused Germany of killing even one Jew, but the Jews in the U. S. used F. D. R., who had opened the gates of Washington to the Marxists, to bring war on the German people. West Germany is now forced to bleed their citizens to give hundreds of millions to Israel, which did not even exist in the war days. Cold war by the Jews against Germans is carried on now, 16 years after the war. Every week the controlled TV and Radio feature several "Hate German and Love the Jew" programs. Warner Brothers, the Russian Jews, are bringing out their old anti-German films, round table discussions, speeches, etc. against "anti-semitism," but not against communism, which is taking the world. Today many publications in New York are flaming with exciting articles about synagogues.

The New York Journal American, January 15th, carries a picture of three boys, caption underneath states: "3 youths accused of anti-semitism." Have we arrived at a time when anti-semitism is classed as a crime? These boys had only known each other two days. No one accuses them of harming anyone or painting any synagogues. The New York City Magistrate Milton Solomon (☆)

ordered treason charges punishable by death against three young men who formed a Nazi-type organization and "planned to beat up some Jews."

He stated it is treason when one plots against the society and the government in which he lives. Jews are now the society and the government.

The New York Times, January 16th, stated the United Nations has proposed that member governments take strong measures to curb anti-semitism. The U.N. was not concerned about communism in Hungary, but anti-Jewish sentiment is different!

Gullible Christians are being forced to express their horror at this rash of anti-Jewish expression, but few take the time to learn the basis for universal dislike for these people. How many have consulted the 36 volumes of the Talmud that Rabbis boast they teach? There is no set of books in existence which compares with the Talmud for its sickening filth and anti-Christian teachings. Samples: Relations between animals and women; they boast they gave Christ five deaths, too horrible to print here; Christians are like cattle to be used by the Jews. No Rabbi dare deny this. We have the Talmud in English.

This excitement is being used to prepare the United States to pass a law similar to the ones in communist countries where it is a crime to criticize Jews.

Say anything you want about a German, Englishman, Irishman, Frenchman, Pole, etc. Protestant or Catholic and nothing is said, but say something about a Jew and you are attacked as an anti-Semite, hatemonger, bigot, etc.

#### MARNISM MARCHES ON

We have never advocated violence. We have never cooperated with, or encouraged those who do. Ours has been the Christian approach: **PEACE ON EARTH TO MEN OF GOOD WILL.** We believe in **PRAYER**, but as Our Divine Lord said: **"NOT EVERYONE WHO SAYS TO ME, LORD, LORD, SHALL ENTER THE KINGDOM OF HEAVEN."**

We believe in prayer, but we know that we must hate the devil and all his works, and repudiate the synagogue of Satan. The PEN is mightier than the SWORD and that has always been the method of **COMMON SENSE.** Common Sense has always been operated in the **SPIRIT OF ST. IGNATIUS**, who said: **"PRAY AS IF EVERYTHING DEPENDED UPON GOD; WORK AS IF EVERYTHING DEPENDED UPON YOU."**

## - U. S. URANIUM CONTROL -

— Continued from page 1 —

Anderson had to say:

"In the year 1956, a very young newspaperman in Denver came to me with a suggestion that the Joint Committee on Atomic Energy should make a study of the method by which one banking firm in New York and its affiliates had woven a complete web in the control of uranium."

And there in one sentence is the opening salvo in an attack almost without precedent in recent years on the floor of the once mighty United States Senate.

Anderson continued: "He said he had made the suggestion to the Department of Justice . . . But no particular investigation ever was undertaken there."

"I have some notes which that newsman sent me under date of September 17, 1956. He said to look at the cast of characters and their known connections. He started with Kuhn, Loeb and Company. He mentioned the fact that Lewis L. Strauss, the Chairman of the AEC, was associated with Kuhn, Loeb and Company from 1919 to 1947 . . . The newspaperman pointed out to me that Benjamin J. Buttenweiser, a limited Kuhn, Loeb and Company partner, was out of the firm 2 years . . . while he, was serving as Assistant U. S. High Commissioner for Germany, but that when he quit the post, he was promptly taken back into the firm. That fact was mentioned by that person, and by others who had been talking to the Department of Justice, as evidence that these individuals do not separate themselves from their responsibilities, but return to them and retain their rights." What Anderson is here saying of course is that he and others believe that Strauss, as Chairman of the AEC, was not serving the Government and the people of America but rather the Jewish firm with which he had been associated for 28 years.

Anderson went on: "In addition to Mr. Strauss, there was Percy M. Stewart, a general partner in Kuhn, Loeb and Company, who is a director of Uranium Reduction Company, one of the dozen or so private firms milling uranium . . . always back into Kuhn, Loeb and Company there comes a director who is tied into these organizations." Uranium Reduction Company, operates an eight and a quarter million uranium processing mill at Moab, Utah, with a daily milling capacity of 1500 tons of ore a day, making it one of the 7 "giants" among the 23 mills in operation in this country. (G) All purchasing of uranium by the AEC is done through the mills. The shippers have to depend on these mills as an outlet for their ores (H), and since there were 727 mine operators in 1957 (a decrease from the peak of 843 in 1956) depending on these mills. It can easily be seen what degree of control over the industry is involved. (And only 6 of the 727 produced over 100,000 tons annually in 1956!) (G).

Anderson quoted his source further: "Sir William G. E. Wiseman was a partner of Kuhn, Loeb and Company in 1956. He was a partner of the Tennessee Development Corporation, Ltd., formed in September 1955, by Kuhn, Loeb and Company, S. G. Warburg and Company of London, headed by Frederick M. Warburg, another Kuhn, Loeb and Company partner, and by the First Boston Corporation. The First Boston Corporation was the . . . institution which sent Mr. Wenzell to take charge of the first study of the Tennessee Valley Authority; and then he became the man whose conflict of interest caused the raising of questions when he was financial adviser to the Bureau of the Budget, and also was recognized as vice president of the First Boston Corporation."

Phillips Petroleum owns one of the "giant" mills at Grants, New Mexico, a 9 1/4 million operation with a 1725 ton capacity (G). Harry M. Addinsell, a partner in Kuhn,

Loeb's associate First Boston, is director of Phillips Petroleum. (E) William Wiseman of Kuhn, Loeb was adviser on American Affairs to the British Delegation to the 1919 Peace Conference and Lewis Strauss was a member of the American delegation. Wiseman was also chief of British intelligence during World War I and as such immensely valuable to Kuhn, Loeb. (I)

Senator Anderson said that his attention has been called many times to "a chart which that Denver financial reporter worked out . . . in which he traced all the interlocking directorships between these uranium companies, all leading finally to concerns in Wall Street."

"Frederick M. Warburg, another general partner in Kuhn, Loeb and Company, is a grandson of Solomon Loeb, one of the original founders of Kuhn, Loeb and Company . . . lives in London." Anderson quoted from the New Yorker, June 11, 1955, pages 31-33, in a piece by Geoffrey T. Hellman, which stated: "Frederick M. Warburg's brother Paul Felix Warburg is an investor who makes his office with Carl M. Loeb, Rhoades and Company . . . They are the American Metal, Climax Molybdenum, Loeb's."

This shows another connection between Strauss, Kuhn Loeb, Carl M. Loeb and the uranium mills. For the 3 million dollar Climax Uranium Company's mill at Grand Junction, Colorado (site of the western AEC office), even though of small capacity, is 84 percent owned by Climax Molybdenum, which merged with American Metals to form American Metal Climax, Inc. (G) Carl M. Loeb, of Frankfurt on Main, was sent to this country in 1892 with the American Metal Company of which he eventually became president. He also is a director of Climax Molybdenum, and incidentally is a member of Temple Emanuel of New York (C), whose Finance Committee has as its chairman Lewis Strauss. (B) Carl M. Loeb, Jr., has been associated with Climax Molybdenum from 1932 to date (a vice-president since 1937) and was also an officer of Anaconda (C), which has a 19-1/4 million dollar mill at Grants, New Mexico, with a 3,000 a day tonnage capacity. (G) Also of interest is the fact that the Lehman Corporation for many years has held in its portfolio of securities common stock of Climax Molybdenum in the amount of 10,000 shares worth (J) over \$450,000. Lehman Brothers or Corporation officers are members of the board of directors of Climax. It also has held as many as 13,000 shares of American Metal.

Senator Anderson ended his excursion into the never-never land of Jewish finance with the observation that "that reporter went on to trace associations . . . to the point where he realized that the entire American uranium business was directed in 1954, 1955, 1956 in such a way as to constitute a pattern which brought Kuhn, Loeb and Company and various of these other companies, . . . into these ventures." We will try to carry on where he of necessity left off. An interesting connection to this whole pattern, the meaning of which is not yet clear, is Secretary of the Treasury Robert B. Anderson's recent past presidency of Ventures Limited, a holding company which owns 31 percent of the stock of Frobisher, Ltd., Toronto, Canada, which in turn wholly owns Rare Metals Corporation, the owner of a 3 1/2 million dollar mill at Tuba City, Arizona, with a 250 ton a day capacity. (G)

Lucky Mc Uranium Corporation, 60 percent-owned by Utah Construction Company, runs a 7 million dollar mill at Fremont County, Wyoming, with a capacity of 750 tons per day. (G) Green Mountain Uranium Corporation is closely associated with this operation, and in turn is controlled by Phelps-Dodge Corporation. (G) Lehman Corporation has underwritten security issues for this firm and has held as many as

25,000 shares of its common stock in its portfolio in recent years. (J) Kerr-McGee Oil Industries owns a 3 million dollar mill at Shiprock, New Mexico, with a 500 ton a day capacity; this firm also owns 56 percent of the 16 million dollar plant at Grants, New Mexico, owned by Kermac Nuclear Fuels, which has the top capacity, 3300 tons a day, of all the uranium processing mills. (G) Lehman Corporation's holdings in Kerr-McGee have reached 40,000 shares valued at 1-3/4 millions, and members of Lehman Brothers or the Corporation have been directors of Kerr-McGee for years. (J) Union Carbide and Carbon Corporation owns three uranium mills: Union Carbide Nuclear's 5 million dollar, 1100 ton capacity, mill at Uravan, Colorado; the same company's 8 1/2 million dollar, 1000 ton capacity, mill at Rifle, Colorado; and Trace Elements Corporation's 2-1/4 million dollar, 300 ton capacity, mill at Maybell, Colorado. (G) Lehman Corporation started underwriting and holding shares in Union Carbide in 1954. (J)

In 1947 more than 90 percent of our uranium was bought from the Belgian Congo. However—and this is not too widely realized by the public—this is no longer true. In 1959 proven ore reserves in the United States are estimated to be in excess of 70 million tons, averaging about 5 lbs. of uranium oxide per ton. (G) In 1953 there were only 5 million tons reserve known. Domestic production is now more than 15,000 tons a year. (G). South Africa uranium deposits from gold tailings only average about 1/2 a pound of U-308 per ton. Canada's production is about 15,000 a year, but at only 2 pounds per ton. Portugal's supply and average is quite low also. Australia, France, and Russia keep their own supplies. (G) From these figures it is obvious that the richest supply, and the best in terms of availability and reserve potential, is that which is right here in our own country.

So what happened under Lewis Strauss as Chairman of the AEC when it became evident that the United States had reached a position where it had no need to depend on foreign sources any longer? His firm's international Jewish connections took precedence over any mere question of patriotism, duty, legality, or national security. Even though we now lead the world in uranium production (G), the free world ore reserves of 1 million tons of U-308 are evidently scheduled by their Jewish owners for sale to the American government, which means its citizens. In 1959 \$450,000,000 was spent by us on foreign uranium and \$280,000,000 for domestic uranium (oxide). These foreign contracts run until 1962 and options will run them on to 1966 or even later, while in the United States only the top six or seven millers have favored contracts from AEC.

On October 28, 1957, a spokesman for Strauss delivered a message to the uranium producers of America which constituted an act bordering on treason on the part of Strauss and his Kuhn, Loeb mentors with consequences beyond belief for the United States and all Christians and free peoples of the world. On that date the small operators were notified that the AEC would authorize no more mills to be built nor additional capacity allowed for the mills already in operation. This "was a serious shock to the uranium industry which, until then, had been expanding at a tremendous rate." (See G for all quotations to follow.) "There was a devastating effect [of this announcement] on the already precarious values of uranium securities . . . in the money markets of New York, Chicago and San Francisco . . . as well as Denver and Salt Lake City. Almost overnight 'uranium' became a dirty word . . . the stocks decreased two-thirds [in 4 months] . . . no

banker . . . will loan a nickel on proven uranium resources [February 1958]." The AEC (Strauss) gave as a reason for the curtailment of domestic milling that there was too much uranium. "It is felt . . . that the AEC has grossly overestimated known ore resources."

Since the AEC's sudden policy switch called for only enough ore production to last 10 years "this would be actually a Government granted monopoly to the companies [with] permits, since they would be the only ones through market control, who could afford to extend reserves for their own mills." The February 1958 issue of Uranium had this editorial comment on the AEC policy switch: "Some uranium producers have it good. They have contracts . . . they couldn't be happier. Then there are large numbers of producers . . . who are bitterly unhappy . . . They complain that the market for their ore suddenly has disappeared."

Also it must be noted that the AEC discriminated against small domestic producers of uranium. It in another way "made contracts for Canadian concentrates in 1955 representing approximately 43,000 tons of mine ore per day at a price ranging from \$1.50 to \$3.50 more per pound than is being paid for domestic concentrates." What was the result of all these pressures? One of the smaller mine owners summed it up thusly: "We were forced from lack of financing to quitclaim or farm out to large, well-financed companies practically all of our original discoveries."

It should be clear from the foregoing quotations what Lewis Strauss meant to do and almost accomplished. By stopping further uranium exploration and production, he threw millions of dollars of uranium property at bargain prices into the hands and control of the "giant" millers, who in turn are all controlled by Kuhn Loeb-Lehman Brothers (operating through its Corporation) complex. This centralized control of uranium which means atomic energy, which means war power, which means world control in the hands of a small group of international Jews was accomplished by one of their own men, Lewis Strauss. Is there anyone so naive as to consider this anything other than an act of super treason? Senator Anderson and others fought the ruling after it was made and forced the AEC to ease the ruling to a certain extent, otherwise the power grab would have been accomplished without a hitch. Then Strauss was dropped from the AEC and afterwards from the Department of Commerce post he thought he had in the bag. But the first step in the plot—for that was what it was—had been taken, and it is inevitable that all the American uranium supplies will be eventually controlled by the Kuhn, Loeb cabal, by one means or another. What they want they will get—control of the world's richest and biggest supply of uranium.

## - T. V. TRAP EXPOSED -

— Continued from page 1. —

ever, before they arrived it was learned that Peters had spent a day in the Anti-Defamation League office in Chicago. The Anti-Defamation League being the Jewish F.B.I., Mr. Mann wanted nothing to do with them. When Mann refused to cooperate the CBS men entered the place of business where Mann was employed as assistant manager, taking pictures and creating such a rumpus that they were ejected by the manager and later Mr. Mann was discharged. Peters and Weston had agreed to give Mr. Mann \$950.00 to allow the interview. Mann has a contract signed by Irving Gitlin, head of Public Relations for CBS in New York.

We have since learned this is the same William Peters who wrote the smear article in the April, 1959 Jewish-owned CORONET magazine entitled, "How to Fight Hate Merchants." This is covered in our issue No. 319 — "A Judge Answers Coronet."

The Anti-Defamation League uses gullible Christians, publications and Jewish-owned concerns like CBS to destroy patriots who expose the Marxist plot. We also learned the A.D.L. had cooperated with Bill Peters in publishing a book.

### SECOND TRAP ATTEMPT

When it developed that we were not going to be trapped by the A.D.L. smear artists and CBS, the A.D.L. offices in Los Angeles got busy. On January 13th, a telegram was received by COMMON SENSE, requesting me to appear on TV in Hollywood, the telegram being signed Dan Fowler. During two phone conversations with Mr. Fowler, alluring promises were made, but upon investigation it was learned Mr. Fowler was only the bird dog for the Jew smear artist, Paul Coates, who would conduct a vicious question program in Hollywood and we would not be allowed to speak uninterrupted, as was promised.

Such is the way the Zionist Jews meet the facts published in exposing their activity. Down through the years, all efforts to get the Jews to face up to the charges against them failed. Of the thousands of factual charges made, they have failed to try to discredit one. Common Sense has offered them ample space in our paper to prove to our readers that we print lies. They go ahead spending approximately 20 million a year in TV, Radio, Newspapers and Magazines, calling patriots Bigots, Nazis, Hate merchants, anti-semites, anything to prevent the public from learning the truth.

This is the only group that has to spend millions to endure tolerance of them? Their opponents are always wrong, but they care not meet them and the Jews never admit that their actions have warranted animosity of Christians. They refuse to reform: the slightest Mark Twain said: "If you cannot answer a man's argument you can always call him names."

AGAIN WE MAKE THIS CHALLENGE WHICH WILL BE REPEATED FROM TIME TO TIME.

### WE CHALLENGE . . . . .

- the Anti-Defamation League
- the American Jewish Congress
- the American Jewish Committee

to furnish four of their top men to meet two of us, in public debate, on THREE charges.

1. We will affirm that the New York Jews financed the communist revolution in Russia in 1917; that Jews set up communism there and spread it throughout the world.

2. We will affirm that 95% of the atomic spies in the United States were Jews.

3. We will affirm that the Jewish Holy Books, The TALMUD (now 36 volumes), teaches hatred of all Christians.

If we fail, we will give COMMON SENSE to the Jews and quit. There are at least 1000 other charges we will affirm as time permits, if our challenge is accepted, but it will never be. THEY DO NOT DARE.
